

Goedke Asks and Receives Pledges Of Cooperation

Retiring Board Members to Help Complete Projects

Mayor-elect Albert Goedke has been assured the cooperation of retiring board members. He expressed his desire to have their advice and aid in completing existing city projects that are still on the fire. These are the new deep well, which is nearing completion, and the installation of the traffic light system on the highway. The three retiring members told Mr. Goedke that they would be glad to sit in council on these matters and will be willing to serve in any capacity that would benefit the village. Goedke in extending his request stated, "I feel that it is no more than right that you fellows who have had a part in starting these two important projects should have something to say about how they should be finished."

Due to the absence of Arthur L. McElhose, who is in Florida, Wm. F. Meyer, Jr., acted as village clerk. There was little business to come before the board and adjournment occurred at 9:15, establishing a goal, stated Mayor Flentie, for the new board to shoot at.

A letter was read from the Board of Appeals advising the village board that a meeting in connection with the Zoning Board had been held when the petition of Andrew Horcher for remodeling the residence on North State rd. had been considered and recommended that the permit be granted, subject to the building commissioner's approval of stairways and the other provisions of the building code. The letter was accompanied by a consent for the change signed by twenty neighboring property owners.

Richard Jahn, fire chief, presented to the board a copy of the proposed constitution and by-laws the provisions of which are in conformity to existing village ordinances. Mr. Jahn, in presenting the new by-laws, stated that it was the desire of the fire department to secure the approval of the board, before placing them in printed form.

The changes made from the previous by-laws were largely in the membership provisions. Men seeking admission can only be between the ages of 21 and 30 years; they must pass a medical examination; department membership is limited to twenty members and the chief.

Routine reports were received from all of the departments, including that of the police department which collected \$130 in business licenses and \$72 from 17 arrests. All members of the police department have received their licenses as operators of the two way apparatus that will soon be installed in the police car. The municipality has been advised that the federal communications will place its official O. K. on the broadcast installation.

Bills and payroll totaling \$1,987.98 were approved for payment. Oppose City Service to Outside Land Owners

The board turned a deaf ear to the request of Mrs. M. Schenk, who owns property adjoining Scarsdale, for permission to connect with the municipal sewer. The board members took the position that regardless of the amount that the property owner was willing to pay, it is against the policy of the board to allow outside property owners to use municipal service. Annexation to the village is the only remedy existing for such property owners. The new well is down to 736 feet and is in St. Peter's sand. Arrangements are being made by the contractor to test the capacity of the well.

The reopening of the Dwyer street project to make needed repairs will probably be made.

Recreation Park Prepared for Full Spring, Summer Program

The facilities at the Recreation Park are being put in order for the opening of the spring and summer activities. The tennis courts are already seeing much activity after school hours and week-ends. The hard ball diamond is the scene of much hustle these evenings as the local high school teams take over for practice or competition with other schools.

The soft ball league is holding a meeting this week in preparation for an early start. The local ball club has announced a schedule of high class baseball games on Sunday afternoons.

Plans are going forward for a supervised program for boys and girls during the morning hours. This program is to include such things as softball, tennis, horse-shoes, and swimming instructions. Contests will be held in these various events and awards will be presented to the winners.

Another highlight in the summer program will be the Fourth of July celebration, sponsored by the Lions club and the Trade and Civic Association, and enjoyed by everyone in the community. Make your plans now to enjoy this summer at the Arlington Heights Recreation Park.

Expect Record Attendance at Hobby Show

The entry of more than three hundred exhibits in Arlington Heights second annual hobby show which is to be held at the North school tomorrow evening from 7 p. m. until 10 p. m., assures an interesting evening to all who attend. The committee will be at the school to receive exhibits Friday afternoon from 1 until 5 and from 6:30 until 7 p. m. in the evening. Children's hobbies will be shown in the rooms on the first floor and adults' hobbies will be shown in the assembly room in the basement.

All exhibitors will be given souvenir badges which will admit them to the show. An admission fee of 5c for children and 10c for adults will be charged to defray expenses. The committee in charge which consists of Mrs. Ross Richards, chairman, Mrs. N. K. Barr, Mrs. Vernon Sturm, Mrs. R. M. Ryan, Mrs. Oscar Kurtz, Mrs. Joseph E. Brown, Mr. Albert Gibas, Mrs. Warren Fellingham, Mr. C. V. Baker and Mrs. Robert Blackburn, urge that any hobby enthusiast who has not yet filled out or returned his entry blank contact any member of the committee immediately, that plans may be made to accommodate all exhibits.

Softball League Gets Under Way Friday Night

Organization of the Arlington softball league will begin Friday night, April 25, with a meeting at the fieldhouse in Recreation Park at 7:30. This is a preliminary meeting and only managers of teams from Arlington Heights will be present. They will determine what outside teams are to be admitted to complete the league, if there are not enough in Arlington Heights to fill a satisfactory schedule.

Because many matters affecting the entire season will have to be decided as soon as possible, it is important that all Arlington Heights teams which desire to play in the league this year should be represented by sponsors or managers or both. Election of league officers will be held if there is full cooperation at the meeting.

Women Golfers In Golf League Tee Off May 7

The Ladies League for handicap play at the Mount Prospect Country club got under way with a bang at the meeting Monday morning. Mrs. Charles N. Verrett of Mount Prospect was elected president; Mrs. H. W. Ragland, of Mt. Prospect, vice president; Mrs. Charles L. McCoy, of Arlington Heights, treasurer; and Mrs. Stanley J. Wilkins of Arlington Heights, secretary. A membership committee was appointed of which Mrs. E. J. Worley, Mount Prospect, is chairman, with Mrs. Louise Williams, of Prospect Heights and Mrs. E. W. Simmons, of Arlington Heights, assisting her. Mrs. H. E. Wilson and Mrs. Malone were appointed to the rules committee.

The ladies are going to play nine holes May 7 at 9 a. m. and the teams will be made up by the handicaps from that game. A meeting will be held immediately after this play to decide any matters which have not yet been voted upon. It is important that all those who desire to play in the league be present at this time, whether they wish to play regularly or as alternates, so that a handicap can be established.

On May 14 the regular play will start and the 9-hole matches will be played every Wednesday morning throughout the season. Those who wish to play in the league, but who may find it impossible to be there on the 7th may arrange to establish their handicap by playing nine holes prior to May 12 by calling one of the officers or members of the membership committee.

If you feel that your game is too poor, don't let that deter you. The handicaps equalize the scores. Mr. H. E. Wilson, managing director of the Mount Prospect Country Club, has promised full cooperation of the club and use of the facilities of the club house.

Tax Bills Out; Collectors Ready

The 1940 tax bills have been going into the mails this week and the township collectors are ready or will be by Monday to receive collections.

Wm. Annen of Wheeling township and Albert Kraemer of Elk Grove township will open their offices on Monday.

The township collectors have until Saturday, May 17 to make their collections and they ask the cooperation of the public in making payments at home.

Many local taxing bodies are glad to see the collectors get busy as many taxing units have outstanding tax anticipation warrants, and as soon as the local collectors get going these taxing bodies know that there will be cash to meet these warrants.

High School Spring Concert Will be May 2

One affair which occurs within the village each spring and which is received with ever increasing popularity, is the annual spring concert which is presented by the music department of the high school.

The concert this year will be presented on Friday evening, May 2 at 8 p. m. in the Arlington Heights high school and will be given free of charge for the enjoyment of interested parents and friends, who always tax the seating capacity of the high school auditorium for this treat.

The bands are bigger and better than ever this year, according to the music director, Mr. D. G. Costain. The concert band numbers some seventy musicians, whose general ability Mr. Costain considers higher than usual. This group will present the main portion of the program, and will play selections from several well known operettas including "The Student Prince," "The New Moon" and "The Three Musketeers." They will also play some of the always popular Sousa Marches including the "Stars and Stripes." Their outstanding number for the program is to be "The Crusader" Overture, a descriptive number of the crusade period.

The beginners band numbering fifty members, is developing much talent, according to their director, Mr. Costain, and many members will be able next year to fill vacancies left by 22 seniors who will leave the concert band at graduation. This group will also have a prominent place on the program for the evening.

In addition to the band numbers, vocal solos, trumpet solos, accordion numbers, a clarinet trio and the ever popular comedy numbers will round out the program for the evening.

The girls' chorus of fifty voices will also sing and a boys' chorus of twenty will also appear on the program.

All in the community and the surrounding territory are invited to attend this musical treat for which there is no charge of any kind.

Sees Dad in Action For First Time

There were two special "guests" at the meeting of the Arlington Heights village board Monday evening. They were sitting in the rear of the room and probably unnoticed. They were Edgar Flentie and his bride. Edgar's dad, Mayor Flentie, has presided over many meetings of the village board, but his son has never seen him "in action."

As the time approached for Mayor Flentie's retirement, Edgar realized it was "now or never" and he drove out from Chicago to attend the board meeting.

As it happened, it was one of the shortest and quietest meetings on record; and lacked the life of many a session during the past eight years that frequently continued until near the midnight hour.

Dr. Flentie is completing his course at Loyola Medical and will take his final examinations next month, when he enters an internship.

The reporter inquired of Dr. Flentie if the appeal of president Roosevelt for volunteer doctors to go to the aid of Britain appealed to him. He replied, "it would be a wonderful opportunity to gain surgical experience;" he got no further as Mrs. Flentie spoke up, "not for you."

Evergreen Cleaners Open in Arlington

Evergreen Cleaners, a new business in Arlington Heights, make their bow this week with a special introductory offer on cleaning and pressing. The cash and carry store is located at 110 E. Evergreen, Arlington Heights, and is under the management of W. B. Niemeyer.

Board of Health Resigns in a Body

Cause is Failure of Village Board to Cooperate, say Members

Arlington Heights board of health, comprising two physicians, one dentist and a private citizen have resigned in a body. The resignation becomes effective May 15. The board of trustees at a meeting Monday night, accepted the resignation without comment. The term of a fifth member of the board, Dr. E. T. Best, expires in May and his name does not appear on the resignation that was addressed to Mayor Flentie and read to the board members by the clerk.

The board of health give three reasons for their action: failure of the village to provide financial support; lack of cooperation on its part; failure to delegate definite authority to the health body.

The village minutes show that on three different occasions the board of health has approached the village on these matters. The first was shortly after their appointment when the village was asked if funds would be available to pay necessary expenses of the health body. The health board representative who made the request left the meeting with the understanding that if expenses were small, they would be paid.

Nov. 18, 1940 a statement was presented to the village board, amounting to \$38.00. The bill was not approved and the clerk was instructed to notify the health board that no funds were available at the present time.

March 17, Paul Collins appeared before the village board asking that a proclamation be issued requiring that all dogs running at large be muzzled, stating that the health board deemed such action advisable for the protection of residents against rabies. The trustees discussed the matter at considerable length and finally left the matter in the hands of Mayor Flentie, who later stated that he would not issue any such proclamation.

Members of the board of health refused to issue any statement, except that it is their belief that definite authority and a health fund in the village budget are the first requisites for an active board of health in Arlington Heights. They say that they are willing to donate their time, but are not willing to pay such bills as printing, and stationery, toll calls and other incidentals.

Dr. Bauman is chairman of the board of health. The letter of resignation follows: Hon. J. D. Flentie, President Village Board, Arlington Heights, Ill.

The undersigned, members of the Board of Health of the Village of Arlington Heights, hereby respectfully tender their respective resignations, to take effect not later than May 15, 1941, for the following reasons:

First: Failure by the village board to provide the necessary financial support.

Second: Lack of cooperation by the village board with the board of health.

Third: Failure by the village board to delegate the necessary authority to the board of health.

Will you kindly see that this resignation is spread of record at the next meeting of the village board.

Respectfully yours
H. D. Meisenheimer, MD, Edwin W. Baumann, DDS, Paul E. Collins, Walter A. Schimmel, MD.
Dated, April 19, 1941.

WHERE'S THE SUN TAN?

Vacation days are over for S. R. Paddock, managing editor, who returned from Florida Sunday. He's feeling pretty good, too, although we at the shop feel just as good for not having made any big mistakes while he was gone. The tallest story the editor brought back with him was that he lost his Florida tan on the way home.

Death Takes First School Teacher of Many Local Prominent Citizens

With the passing of Mrs. Henrietta Geffert, nee Weinrich, there are many prominent citizens of Arlington Heights who recall their first school days when she was the instructor of the lower grades of St. Peter Lutheran school. It was before the days of grades and the age of the children determined the class in which they would be assigned.

Henrietta Weinrich assisted the late Fred Millitzer, as school teacher. She taught nine years, from 1882 until her marriage to Rev. Geffert in 1891.

Among her pupils were J. Fred Meyer, J. D. Flentie, Mrs. Henry Clausen, and others.

Break Ground Thursday For Legion Home

The dream of the members of Merle Guild Post No. 208 of the American Legion, Arlington Heights, Ill., came a step nearer Thursday morning when the first shovel of dirt was turned for the construction of the new Legion home, to be erected at the southeast corner of Douglas and Miner Sts., opposite the park.

Plans call for the construction of a one story building 60x32 feet. It will contain a lobby and office in the front part, an auditorium, 32x32 and a kitchen in the rear. It will be air conditioned with oil heat. At present the Legion is occupying a rented building at Campbell and Chestnut streets.

The Legion has been making plans for this building for six years, a part of the receipts of each year's festival being set aside for such a purpose. Merle Guild post is one of the most active of local men's organizations and does not shirk its civic responsibilities.

Its members depend upon its annual carnival for a large part of its receipts. (Other organizations who desire to purchase subscriptions in a block can receive details at the publication office).

Studtmann's Removal Sale Ends April 30

This is the week for furniture buys in Arlington Heights where Studtmann's removal sale is now in progress. The sale which is offering reduced prices on store merchandise will end April 30. The public is invited to visit the store and examine these special bargains. After April 30 all prices on furniture and household goods will advance, states Mr. Studtmann.

Cradle Once Rocked Their Great Grandfather

Paula and Ila Miller are placing a sixty year old doll in the cradle in which their great-grandmother was rocked as a baby.

Mrs. Miller will exhibit part of her collection of family heirlooms, among them the walnut and maple cradle shown in the above picture which has been in the Miller family for four generations. She will also enter a quilt, appliqued in the grape pattern which was made in Virginia approximately one hundred years ago. The Arlington hobby show is being held Friday at the North School.

'America First' Chapter Formed at Arlington

Honor J.D. Flentie Retiring Fireman And Mayor

Mayor J. D. Flentie was honored by the members of the Arlington Heights Fire Department Friday evening when he was presented an honorary membership captain badge and was the guest of honor at a smoker that was attended by all members of the village board. The firemen had held a regular meeting in their quarters in the municipal building, while the village board met in another room to canvass the election results. At the completion of the firemen meeting, a committee invited Mayor Flentie and the other board members to join them.

Fire Chief Richard Jahn in his usual felicitous manner complimented Mayor Flentie on his many years service as a fireman and presented him with a captain's badge, the highest office he held while a member of the department.

Mr. Flentie expressed his appreciation for the honor bestowed on him by the department and assured the members that the badge would ever be one of his prized possessions as it was a reminder of those earlier years when fire fighting was not mechanized as it is today and it was not unusual to ruin a good suit of clothes if the fire alarm sounded when a fellow was dressed up.

Ex-Chief Geo. K. Volz welcomed Mr. Flentie to the honorary list of firemen, which now numbers seven.

All were invited into the adjoining room where refreshments had been prepared. A messenger was sent into the council chamber where the V.F.W. were in session, with an invitation to "come and get it." They did. A happy social hour of reminiscences followed before the good nights were called.

Mayor Flentie first joined the department in 1902 and with the exception of a short time, has been a member since that time. Mr. Flentie says that his first ambition for public service was to become a member of the fire department. He said that desire realized when he was not yet 21 years old. The department with its "first love" and it was with regrets when he recently presented his resignation as a regular member. In public life he has served as town clerk, township collector, park commissioner, school board member, village trustee and 12 years as mayor. He is retiring to private life, but his honorary membership in the fire department will remain with him always.

Newly Elected School Officials

Geo. K. Volz, Wheeling school treasurer, has received the reports of the recent elections in all school districts within the township, as follows:

District 20—Alphonse Weidner.
District 21—W. F. Laurance.
District 22—August Vogt.
District 24—Martin Hahnfeld.
District 25—Nathaniel Carlson, president; Charles Hardtke and James Groves, members.

District 26—Henry Tegtmeyer.
District 23 elected a board of education for the first time with the following members: William Lancaster, president; Edward Mueller, 1 year; Stephen J. Schramek, 1 year; Frank J. Raupp, 2 years; Homer C. Torreyson, 2 years; James M. Nielson, 3 years; Carl Stehman, 3 years.
District 214 board of education, C. I. Davis, president; Paul Collins, Otto Busse.

State Police Have a Heart After All

Archie LaSalle, state police officer, was a good Samaritan Tuesday afternoon. While off duty sitting in the office of Judge Behrens at Arlington Heights, an excited truck driver dashed in and demanded that "somebody stop that crazy woman driving down the highway."

Archie joined Officer Peter Madura, who was on duty at the time and the two had little difficulty in stopping the woman driver, who had been doing a bit of drinking near Elgin. They found her in no condition to drive. Arlington Heights has no police matron nor facilities for tipsy women to "sleep it off" in the local jail.

It was then that Archie offered to be a voluntary chauffeur and took the "prisoner" home. It was another case of no fine, no costs and the good heart of the state police organization.

Turn Clocks Ahead

Daylight saving time will arrive at two o'clock Sunday morning, April 27.

The average person who goes to bed on Saturday nights should turn his clock ahead one hour. Those who stay up all night, will lose an hour. For both, church services start under the new schedule and there would be no better way to accept the extra hour of daylight than to be enjoying the coming summer months, than to attend church service on the opening day.

Public Meetings to be Held at Arlington Field House Thursday, May 1

The public sentiment in Arlington Heights against intervention in a foreign war, began to crystallize in an enthusiastic meeting Tuesday evening held in the village hall. Residents of this community, representing various organized groups, assumed the initiative in forming a local chapter of the America First Committee, of which General R. Wood is the international chairman.

Serving as temporary chairman, Mayor J. D. Flentie introduced Mr. Robert D. Ross, a volunteer America First speaker from headquarters of the organization in Chicago. Mr. Ross has traveled extensively in war torn Europe and England as late as 1939 and assured his audience "have convinced myself from first hand observations that Europe is dominated by an inbred war spirit and that America cannot by forceful intervention teach them the ways of peace."

The speaker rejected the argument that "our continuance as a democratic nation demands our fighting with our men and ships in the European or Asiatic war zone." He insisted that "our destiny depends on our own strength and a defense of our hemisphere interests at home."

In the discussion which followed the conviction was expressed that the preponderant majority of the citizens of Arlington are emphatically opposed to our boys of the navy or army being sent across to fight a "shooting" war. Public opinion, it was said, merely needs a chance to express itself and make its weight felt.

Mr. G. F. Glow consented to serve as chairman of the Arlington Heights America First Committee. Other officers are Miss Catherine Behrens, secretary and Richard Wilke, treasurer. The Executive committee comprises J. D. Flentie, John Grose, Milton Blohm, Otto Wulbecker, Mrs. F. J. Sachs, Mrs. R. Rowlands.

In the meeting of the Executive committee other details of organization were arranged. A membership committee was selected consisting of Mesdames Rowlands, Henken, Fritz, C. O'Hagan, Miss Ada Windheiser and Clyde Jones. Both the executive and membership committees consist of appointments subject to the various individuals' acceptances. Mr. Les Griffith was appointed in charge of publicity.

Plans were adopted calling for a first rally of the Arlington Heights America First Committee on Thursday, May 1, 8 p. m., in the field house of the Recreation Park. A prominent speaker of the International Committee will be invited to present the objectives of the America First Committee. At this rally all who are opposed to actual participation in the war will be given an opportunity to join this movement.

Arlington Red Wings To Try Out Players in Sunday Workout

Arlington Red Wings will have their first workout Sunday, April 27, weather permitting. Manager Ed. Cherwin, stated Monday that any player wishing a tryout for the team can do so at that time.

The Red Wings have always been one of the better teams in this area. It is too early to predict just what the good and bad points will be this year, but it looks like another winning season, of course.

A new system of providing the club with adequate funds has been initiated by the loyal fans who are plunking down five dollars apiece for a regular season pass entitling the owner a membership in the Boosters club. Running a ball club is an expensive proposition, as Comiskey's bank discovered, and the Red Wings will appreciate any support that the fans can give them.

The regular season will open May 4.

Daughter of Pioneer Publisher Seeks Interviews

Mrs. Roy Nichols, youngest daughter of the late H. C. Paddock, founder of the Paddock Publications, is seeking material regarding the life, experiences, obstacles met and the success that was attained by her father in the establishment of the Paddock family of newspapers.

Mrs. Nichols would like to interview any of the old friends or subscribers who were visited by Mr. Paddock in his rounds through the territory, first with the horse and buggy and later with his automobile.

As a writer and historian, she believes that there is an interesting story in the experiences of her father as a pioneer newspaper man.

Mrs. Nichols will spend this week-end with her sister, Mrs. M. F. Daniels, Arlington Heights, phone 364-R and will be glad to call on any person who will phone Mrs. Daniels their willingness to have Mrs. Nichols interview them. During business hours a phone call to the publication office will also suffice. Charges can be reversed on phone calls from neighboring towns.

THE FIRST METHODIST CHURCH

of Arlington Heights, Ill.
 Rev. R. C. Schellhase, A. M., B. D., Minister
 8 W. St. James St. Tel. 99-M
 Sunday services:
 10 a. m. Church school. M. W. Preilberg, superintendent; J. Everett, assistant superintendent; A. L. Ascraft, secretary. You will want your children to enjoy the newly redecorated rooms of the church school wing.
 11 a. m. Divine worship. Director of music, J. Everett; organist, Mrs. R. H. Manley. Beautiful music by organist and choir — this will be Mrs. Manley's last Sunday as our organist, and we invite you to attend in honor of her service. Sermon by the Minister, "The Measure of Faith."
 7 p. m. Epworth League. Devotional meeting in the chapel.

Calendar:
 Thursday, April 24, at 8 p. m. Choir rehearsal in the sanctuary, with Mr. Everett directing.
 Monday, April 28, at 6:30 p. m., Church school pot-luck supper and board meeting.
 Tuesday, April 29, at 2 p. m. Meeting of the missionary circle in the chapel. A cordial invitation is extended to all to attend this program which includes Missionary Playlet entitled, "Margaret's Call," and an address by Mrs. Shwen on "The History of Our Hymns."
 Wednesday, April 30, at 8 p. m. Men's meeting and recreation night in the gymnasium.
 Monday, May 5, at 8 p. m. Special session of the official board in the chapel — all members are urged to plan now to be present.
 It is the consensus of opinion of all the prominent leaders of social, economic, and moral realms that the fundamental necessity for even a modicum of success in any field of life is a real faith in the ultimate meaning of life — a faith that there is value, purpose, and permanence in our sacrifices and achievements. A disturbed or blurred faith shakes the integrity of life itself or conduces to ill-fated living. It isn't up to you, neighbor or minister to "keep the faith," it's up to you! What is the measure of your faith when confronted with world need and darkening destiny? Petty excuses for not attending church do not add up to faith in God!

ST. JAMES CATHOLIC CHURCH

North State Road
 Rev. Geo. Stier, Pastor
MASSSES
 Sunday, 7:00, 8:30, 10:00, 11:30.

PROSPECT HEIGHTS SUNDAY SCHOOL
 If you are not attending a conveniently located fundamental Sunday school, we cordially invite you to fellowship with us every Sunday morning from 10 to 11:30 in the Wheeling Center school house, Schoenbeck and Palatine rds. There are classes for all ages, from the tiny tots to the adults, with competent teachers.
 The Sunday school is interdenominational in character, and non-sectarian in spirit.
 Prayer meeting every Thursday evening at 8 o'clock in the Foxworthy home on McDonald rd. Everybody welcome.

Fragrance of Flowers
 The fragrance of flowers is due to special compounds of only two elements, carbon and hydrogen, and are known as volatile oils, since they escape readily into air.

Food Fads Harm Health

By C. W. Lussman of Sieburg Pharmacy
 Food fads are among the most dangerous of all fads to good health. The most common purpose of extreme diets is to reduce in weight and to achieve the ideal of a slender form.
 Physicians agree that a proper diet is the best means of reducing, but they are also very much aware of the danger of pursuing a dieting schedule unless properly advised. Health and vitality are more to be desired than trim lines. All three are possible if one will consult a good doctor.
 If you are not slender, do not undertake a slimming schedule without the advice of your physician.
 His prescription, if any, should be filled by a careful druggist.

Lutheran Hour Religious Broadcast May Become World Wide

A religious broadcast program promises to become the first world-wide radio program, carrying the gospel even to remote lands where Christianity scarcely has a foothold.
 The Lutheran Laymen's League, which sponsors the Lutheran Hour, recently authorized the addition of a number of South American stations to the long list of broadcasting outlets already carrying the program from coast to coast in the United States, and in Canada, Alaska, Hawaii, the Philippines, Central America and other lands.
 A missionary is now enroute to China with a letter to General Chiang Kai Shek, requesting approval of a plan for the broadcasting of the Lutheran Hour to the Christian population of unoccupied China, in their own language. Likewise are in progress for broadcasting in Dutch and French to African and East African audiences, and in Portuguese for Brazilian listeners.
 The Lutheran Hour already has approximately 50 stations in Latin America, for which the broadcasts are translated into Spanish, and the recent action of the Lutheran Laymen's League will add many more in Argentina, San Salvador, Guatemala, Honduras, Peru and Venezuela.
 A huge international audience will hear the Lutheran Hour through the powerful short-wave outlet of Station WGEQ, Schenectady, N. Y., which will broadcast the message in both Spanish and Portuguese, and through the short-wave facilities of Station KGET, San Francisco.
 The Lutheran Hour stations now number approximately 300, including the coast-to-coast network of the Mutual Broadcasting System in the United States. The other stations broadcast the program by means of electrical transcription. This is said to be the largest number of stations on record for this type of program.
 With the resumption of the program early in the fall, the number of stations and the area covered are expected to surpass all existing records for radio broadcasting of any kind. The remarkable extent of this expansion is indicated by the fact that the Lutheran Hour was heard on only eight stations six years ago.
 Dr. Walter A. Maier, professor of Semetic languages at Concordia Seminary, St. Louis, and the regular speaker on the Lutheran Hour since its beginning, expressed the belief that the Lutheran Hour will be a vital factor in the reconstruction of war-wrecked nations at the end of the present conflict.
 "We must be ready," he noted

CHRISTIAN SCIENCE CHURCHES

"Doctrine of Atonement" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, April 20.
 The Golden Text was, "All things are of God, who hath reconciled us to himself by Jesus Christ, and hath given to us the ministry of reconciliation" (II Corinthians 5:18).
 Among the citations which comprised the Lesson-Sermon was the following from the Bible: "Behold, the days come, saith the Lord, that I will make a new covenant with the house of Israel, and with the house of Judah: And they shall teach no more every man his neighbor, and every man his brother, saying, Know the Lord: for they shall all know me, from the least of them unto the greatest of them, saith the Lord: for I will forgive their iniquity, and I will remember their sin no more" (Jeremiah 31:31, 34).
 The Lesson-Sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "If Truth is overcoming error in your daily walk and conversation, you can finally say, 'I have fought a good fight... I have kept the faith,' because you are a better man. 'This is having our part in the at-onement with Truth and Love' (p. 21).

Anti-Religious Forces Are Greater Menace To American Security

Anti-religious forces from within are a graver menace to American security than threats of invasion from abroad, Dr. Walter A. Maier of Concordia Seminary declared Sunday in his coast-to-coast broadcast of the Lutheran Hour.
 "For years," the Lutheran theologian said, "certain so-called 'liberal thinkers' have been sowing the seeds of atheism in America. Some of them even have boasted that the overthrow of our present mode of life will spring from academic sources."
 "The university professor who tells his students there is no God and that the ten commandments are as obsolete as the code of Hammurabi, is a more destructive menace to this country than the threat of any foreign invasion. Conversely,

theologian said, "to bring Christ as the divine reconstructing agency for nations, and people seeking their way back after war. Heavenly strength must be the hope and comfort of the stricken world, and the Lutheran Hour looks forward to the task of bringing the message of peace to all people."

ly, the Christian American, walking humbly before God, is a greater asset to the country than all the gold stored in the subterranean treasuries of Fort Knox."
 Pleading for an intense, nationwide "all-out" preaching of the crucified Christ, the radio evangelist declared that the denial of the scriptures and the refusal to accept Jesus as the Saviour of mankind, removes the only belief which raises the human being above the level of the beast.

Arlington Local News

Mrs. Millie Darrah of Kankakee and her daughter, Mrs. Lola Koonz of Highland Park called at the Mitchell home on Monday. Mrs. Darrah and Mrs. Mitchell were childhood friends.

Mr. and Mrs. Frank Leth are ready to receive visitors at their new home at 514 South Dunton. The Leths moved in three weeks ago and have been arranging the interior.

Mrs. H. C. Cleveland went to Crown Point Tuesday to attend the funeral of her friend, Mrs. Geo. Brennen. Services were held Wednesday.

Miss M. C. Telfar and cousin, Miss Ella Robson, came from Kenosha, Thursday, to call on friends. They were luncheon guests of Mrs. F. W. Muller and family.

Mrs. Lena Fehlman and son, Martin, went Friday to Oklahoma City, Okla., to be with her daughter, whose husband, Mr. George Schafer had died Thursday.

Miss Marie Hammerl, No. Had-dow, has been a shut-in invalid all winter and her neighbors are glad that she is now able to walk around and greet friends in her own gentle manner.

Mr. and Mrs. Robt. Haase, who lived at 611 N. Douglas ave., have recently moved to a new home in N. Chestnut ave.

Mr. and Mrs. Hunling and two children recently from Minneapolis, are living at 1108 N. Dunton.

Mrs. Lindecker from the city is visiting her daughter, Mrs. E. O. Ogren and family. Her grandson, Harry Vilter, came with her to spend his vacation with his relatives.

Mrs. R. H. Peeters and son, Raoul, drove to Crisman, Ind., last Friday and called on family friends, Miss Clara Baring, Mr. Leonard Baring and Mr. Louis Johnson. They enjoyed viewing the

old town and fine scenery along the way.

Mrs. C. P. Draper and daughter drove to Dyer, Ind., Sunday to attend the funeral service for her cousin, Mrs. Mary Seehausen, who had been ill a long time. There was a large gathering of relatives and Miss Draper met many old time friends.

The Sunshine club will meet April 30, with Mrs. Frank Cordes in No. Dunton ave.

Mrs. Walter Graham entertained the Sewing Circle of Cousins Tuesday, April 22, to celebrate her birthday. A happy occasion for the company of congenial relatives, who enjoyed refreshments, social time and the satisfaction of work accomplished by stitches in time and season.

Corner of Miner and Douglas ave. is a busy place, where excavation, etc., for the new Legion Home is swinging into action. Facing west they will have recreation park for their front lawn.

Mr. and Mrs. Clarence Stadler entertained Mr. and Mrs. Edwin Stadler of Oak Park, and Mr. and Mrs. Tuegel and son, Allan from Barrington, Sunday afternoon and evening.

Mrs. J. W. Bruhnke entertained her card club last week Wednesday. There were eight guests and they enjoyed a cheery afternoon of games, refreshments and social intercourse.

Mrs. Anton Schafer has been at home this week enjoying outdoor work with her plants and shrubs. Mr. Schafer hopes to come from Jacksonville at the week-end and that she will return with him to make home where his employment keeps him busy, but lonesome for his family.

Gustav Dueball, who has been ill many weeks, has gone to a sanitarium for care.

Mr. and Mrs. J. F. Simon and family have recently moved from 1327 N. State rd. to a house in North Ridge ave.

Mrs. J. W. Bruhnke entertained guests Monday afternoon and evening celebrating her birthday. A merry group of relatives and members of the 35 year old birthday circle, all with greetings and gifts to Mrs. Bruhnke. Twenty-four guests enjoyed games, refreshments and an old time visit. Mrs. Helen Kellogg sent a gift with her greetings from California, where she is with her daughter, Catherine. It was a fine party and everyone wished Mrs. Bruhnke many more happy birthdays.

Miss Delores Rizzi returned Tuesday from Berkeley, California, where she has been with relatives regaining her strength after a serious illness. Delores is feeling fine and is very happy to be back home again with her family and many friends.

Fifteenth Wedding Anniversary
 Mr. and Mrs. Raymond Friese, 711 N. Highland ave., Wednesday evening last week, were spending a quiet time at home when 18 relatives came to surprise them on their anniversary April 16. After the flurry of surprise the company had a party with games and refreshments. A sparkling moment enjoyed by all was presenting many beautiful gifts of crystal (symbolizing the date), and the hearty congratulations for Mr. and Mrs. R. Friese and wishes for many years to come. Among out of town guests were Mr. and Mrs. Gilbert Friese, Des Plaines, Mr. and Mrs. Richard Friese, Barrington, Miss Helen Schoeman of Palatine.

Relatives and friends of Bernice Kirchhoff rd., gave her a birthday celebration April 17, with cards and refreshments filling out the evening.

Henry Moehling of N. Pine st., with his father and sister, took his uncle and aunt, Mr. and Mrs. Wm. A. Meyer, to Dyer, Ind., where they attended the funeral of their cousin, Mrs. Mary Saahausen, Sunday.

Style Show and Card Party at Lutheran Church

The Mother's club of the St. Peter's Lutheran church is sponsoring a card party and style show on Wednesday evening, April 30, at 8 p. m., in the school hall of the Lutheran school.

Featured at the card party will be a style show, which is being given by Miss Emma Wilke, proprietor of the Emerald Shop, and by Hartman Shoe store.

Miss Wilke plans to show all the popular styles in sport clothes for women and boys and girls, including, slacks suits, sunback dresses, and sport wear of all kinds. She will also show the new summer sheers with matching accessories. Mr. Hartman will show the latest styles in spring and summer shoes, and the models will display hair styling by local beauticians.

Following the style show the evening will be spent at cards, and table prizes, and door prizes will be awarded.

Dessert will be served at 8 p. m. following the party, with tickets for the affair selling at 35c each.

Mrs. E. Wilke, Mrs. Walter Moehling and Mrs. E. Jannusch are in charge of the party.

Class of '43 Presents 'Town and Country Hop'

Whoops! The class of '42 at Arlington Heights high school is having a party. It's the "Town and Country Hop" which will take place Saturday evening, April 26, in the cafeteria. The party will begin at 8:00 p. m. with music being provided by the new Johnny Myrland's orchestra. The proceeds from this party will be used for the students Junior Prom next year. Tickets may be had at the door and the committees have guaranteed a good time for all.

Alfred Regenburg To be Married June 7

Mr. and Mrs. Gus Krumfuss, of Bartlett, announced the engagement and approaching marriage of their daughter to Alfred Regenburg, son of Mr. and Mrs. Fred Regenburg, of Bartlett, at a family dinner party Sunday. The wedding is to take place June 7. Mr. Regenburg graduated from Palatine township high school in 1933 and from Knox college in 1938. He has been employed by a large auditing firm for the past year. The Regenburg family lived in Palatine for many years until they moved to Bartlett about four years ago.

Lauterburg & Oehler win first place in Monday night bowling league.

Next week the Monday night league wind up their league schedule. The following week there will be a sweeper between the Monday bowlers at 8:00 p. m. Everybody bowls for himself.

Monday night there was a double shift. Lauterburg & Oehlers won 4 and lost 2. Gaare's Studebakers won 3 and lost 3. Arlington Elevators won all 6 games. Hartmann Shoes won 1 lost 5. Park View Tavern won 2 lost 4. Vail Tavern won 2 and lost 4.

It looked like some of the boys were trying to win high individual series last night. Ray Dieball came the closest getting a 655 series, which is second high. George Winkelman had 631. George Harris 617, Eddie Duenn 613, R. Bolte 604, and Carl Huber 602. Last week there was no write up and the only 600 series shot was by Jack Wiese a 622 series.

Summer Roundup Of First Graders To Start in May

That the Parent-Teacher association of the public schools and the Women's groups of the parochial schools are going to sponsor another Summer Round-up during the month of May was announced today by Mrs. Adele Pino, R. N., of the Arlington Heights Health Center.

At this time of the year parents of the children who will enter school for the first time next fall are invited to bring their children to the Round-Up for a careful health examination. Local doctors and dentists have volunteered to assist in the program wherein careful checkups will be made of the child's vision, hearing, teeth, posture, health habits, nutrition, and general health.

"The Summer Round-Up is planned to uncover any physical defects," Mrs. Pino said, "and we feel that the summer months provide ample time for parents to have the corrections made before school opens in the fall. The Health Center agrees with the school board and teachers that children in good physical condition progress much better in school and also adjust themselves more readily to other children."

All children who need medical attention will be referred to their family doctors and the local committees are making plans to round up all children so that their parents can know how well equipped they are physically to start their first year of school next fall.

Early American Exhibit at Hobby Show

Catholyn Nichols and Marion Helfers with part of early American exhibit of Mrs. Joseph E. Brown which will be displayed at Hobby Show Friday evening.

Shown above are two hand made Windsor chairs of the period of 1780; a 1750 English pewter charger made by John Townsend with his touch marks on back; a 1790 pewter campfire or lead oil lamp; an early American copper tea kettle, the goose neck spout of which is mended with lead as this was before the invention of solder — Circa 1800; a Burl mortar and pestle from northern Maine — Circa 1800 and an early Pennsylvania dipper (1800) of copper and wrought iron marked J. Gulden. These items will be part of the exhibit Mrs. Joseph E. Brown is entering in the Hobby Show.

MERLE GUILD POST NO. 208 AMERICAN LEGION NEWS

A regular meeting of the Post was held in the Legion House Tuesday, April 22, 1941.

Ground will be broken for the new Legion home this week and the post membership are happy to be able to make such an announcement and hope to be able to hold dedication ceremonies before June first this year. Clarence Stadler, represents the post in the construction of the building.

Any world war veteran in this community is welcome to apply for

membership in this post and we hope to receive applications for membership and renewals at the next post meeting to be held on Tuesday, May 13th.

Our adjutant has work for all who care to help make the 1941 Legion Festival a success. For particulars see or call Willis E. Breese, adjutant, Paul Carroll, commander, or Clarence Stadler, Sr. Vice Commander.

The local Legion post program for 1941 includes many activities which will benefit our entire community.

Come out to the meeting May 13, and bring a Legionnaire or prospective member with you.

Brilliant Style Show During National Red Cross Shoe Week

A pre-glimpse of the early summer footwear styles which will soon be seen on the feet of America's fashion leaders, is promised to Arlington Heights this week by Arlington Bootery. According to Carl H. Ewert, who announced today that Arlington Bootery is participating in National Red Cross Shoe Week, this nation-wide event is gaining in fashion importance each year. And there's good reason for it, because the Red Cross Shoes which are displayed in this coast-to-coast celebration, provide a truly authentic pre-view of the coming season's most approved styles.

The new trend, as reflected in this current showing of Red Cross Shoes, is toward more classic, simple lines. Heels are coming down-to-earth; toes are open—or closed. Kids, elasticized leathers and gabardines are all in the picture. Brown—from light beige-ish shades to rich copper tones—is the big color news; with blues running a close second.

National Red Cross Shoe Week begins Monday, April 21 and continues through Saturday, April 26.

Bluebirds Rehearse For Movie Benefit

Some forty Bluebirds, a junior organization of the Campfire girls, started rehearsing this week for the songs they will sing at their movie benefit, which is to be held Friday evening, May 9, at 8 p. m. in the high school auditorium.

Miss Jocelyn Gabel will lead the girls in their songs and will also sing two solos for the program.

The feature picture for the benefit will be "This Amazing America" sound and technicolor film just released by Greyhound Lines. This will be supplemented by a comedy "That Gang of Mine" and Cartoons and shorts.

Admission is 10c for all children including those of high school age, and 25c for adults. Tickets may be obtained from any member of the Bluebirds or by calling any member of the ticket committee, Mrs. R. M. Ryan, Mrs. Paul Miller, Mrs. E. R. Williams, and Mrs. Nicholas Lattot.

Red Cross Benefit A Great Success

With more than two hundred and fifty guests at the Red Cross benefit card party which was held at the Arlington Heights Field house Wednesday afternoon, the venture came to a successful close. The committee in charge is to be greatly complimented for they have turned over some \$130.00 to the National Red Cross out of a \$170 that was cleared and still have enough to assure a good working fund for the continuance of the local work. It was the desire of the committee that the National Red Cross receive the larger share of the proceeds and that the local chapter keep only enough to support the work of the committee.

The worthiness of the cause was no doubt one reason for the success of the ticket sale, but also the generosity of the local merchants and those of surrounding communities, who willingly donated more than fifty door prizes made the party the complete success that it was.

The table prizes which were potted plants of rhododendron, ageratum and ivy and others were donated by Pesche Nursery of Des Plaines, Busse Nursery of Mt. Prospect, and Hook Nursery of Mt. Prospect. Mrs. Theresa Murphy of Chicago, mother of Mrs. Heinrich donated the pastel pots for the plants.

To the long list of merchants already published who have donated food or door prizes must be added D. J. Dairy, E. J. Dairy, E. J. Dairy, the Atlantic and Pacific Tea Store, Schmidt Bros., The Swirl Shoppe of Prospect Heights, and Mrs. J. J. Hannon.

During the serving of dessert Miss Patricia Groves entertained with piano music.

Mrs. Paul Carroll, local Red Cross chairman, told of the work of the local Red Cross chapter at the party, and read part of a report of the work of the National Red Cross. Mrs. Carroll stressed the need of more local workers for the summer months.

Mrs. Marvin Tackett and Mrs. H. T. Winterbauer, co-chairman of the party and their committee of Mrs. Kenneth Heinrich, door prizes. Mrs. Sam Braden, table arrangements, Mrs. Ray Kroc, table prizes.

Mrs. Hugh Nichols, dessert, Mrs. Wallace Jacobus card tables, Mrs. Heral Day, tickets, Mrs. Adam Sledz, chairman of money making projects at the party, and Mrs. N. K. Barr, publicity, wish to thank all who so generously aided in making the affair successful.

Elk Grove Young People are Wed

Miss Marion Koehn, daughter of Mrs. Albertina Koehn, was joined in holy matrimony to Mr. Herbert Heimsoth, son of Mr. and Mrs. Arthur Heimsoth, Saturday, April 19, at 3:30 p. m.

Many relatives and friends were present at St. John's Evangelical church to see the beautiful wedding ceremony performed by Rev. Paul Kasper. At 3:30, Mrs. Anna Mager began playing the wedding march as Lorraine Glander, cousin of the bride, marched down the aisle followed by Evelyn Siemers. Next followed Ruth and Elaine Egert, cousins of the bride, next entered Florence Wolter, cousin of the bride and then came Gladys Landmeier, cousin of the groom. All the bridesmaids were beautifully dressed in pink lace and net gowns and carried heart-shaped bouquets of pink carnations. The maid of honor, Evelyn Heimsoth, the groom's sister, wore a pretty blue lace and net gown and carried a heart shaped bouquet of pink and blue carnations.

As the wedding march was played, the bride came down the aisle on the arm of her brother, Orland Koehn. She was dressed in white lace with a beautiful long veil held in place with a crown of rhinestones. She carried a bouquet of white lilies. When the bride reached the altar she took the arm of the groom, Mr. Herbert Heimsoth, who was attended by Arthur Koehn, Jr., brother of the bride. The two ushers were LeRoy Landmeier, cousin of the groom and Elmer Wolter, cousin of the bride.

As the wedding march faded away, Mrs. Anna Mager, the organist, sang "I Love You Truly," and "O Promise Me."

Rev. Paul Kasper performed the double ring ceremony. Soft music was played by the organist. After the ceremony the bride and groom received many congratulations. A delicious supper was served at 6:30

o'clock at Higgins and York rd. At 8 o'clock the bridal party arrived at Elk Grove school where they were greeted by many friends and relatives, who attended the reception. Heinies orchestra played through the entire evening. The happy couple received many beautiful gifts for which they give thanks.

Campfire Girls Plant Trees On Arbor Day

The Torchbearer group of Campfire girls of Arlington Heights planted four moline elm trees on the lawn of the south side school in a lovely arbor day service last Friday afternoon.

Children of the south school, their teachers and interested parents, watched the service as all of the Campfire girls in the village, dressed in their blue and white service uniforms marched, singing their marching song, to take part in the ceremony.

The Torchbearer group had charge of the program which consisted of a duet "Trees" which was sung by Rosemary Heller and Pauline Russell, who were accompanied on the violin by Nancy Crumlish, and a number of poems appropriate to the occasion, which were given by members of the group, and the singing of "America the Beautiful."

Members of the Torchbearer group who are working to complete this difficult task in Campfire are Lois Knack, Burnet Burns, Nan Sommer, Nancy Krumler, Nancy Crumlish, Pauline Russell, Jean Pate, LaEta Garmes, Rosemary Heller, and Arline Wiegand.

Mr. Roy Dobbins and daughter, Dorothy, were hosts to their card club on Saturday evening for dessert and an evening of cards. Mrs. Beulah Burkitt and Mr. Elliot received high awards for the evening.

Jimmie Blackburn celebrated his 8th birthday on Saturday, when eighteen friends attended a merry party at his home. Games and birthday refreshments gave all a happy time, and on Sunday Jimmie celebrated again when his grandmothers and aunts came to honor his birthday.

Woman's Club Elects Officers

The final meeting of the Arlington Heights Woman's club was held on Wednesday afternoon, April 16, when officers were elected for the year and annual reports were presented.

Mrs. Daniel Crumlish will serve as president for the '41-42 term, and Mrs. C. A. Hughes will serve as first vice president. Mrs. Stanley Wilkins, second vice president; Mrs. P. J. Moore, corresponding secretary; Mrs. N. K. Barr, recording secretary; Mrs. M. F. Daniels, treasurer. Those serving as directors are Mrs. R. J. Palmer, Mrs. Lester McAtiff, Mrs. Henry Busse, Mrs. Paul Williams, and Mrs. Porrett Nichols.

An interesting program on "Cake Decorating" was presented by Mrs. E. F. Brengle of Edison Park, who decorated a cake before the club members.

The closing event of the club year will be the annual spring luncheon which will take place May 7, when club members are invited to attend a tour of Fort Sheridan and Great Lakes Naval Training Station. All members will be called for this event.

CLUB CALENDAR

April 24—O.E.S. Friend's night.
April 25—P.T.A. Hobby show.

May 3—Past Worthy Matron's card party, O.E.S., tickets, 35c.
May 8—St. John's Ladies' Aid Mother and Daughter banquet.
May 9—Blue Bird movie benefit.
May 10—Woman's Society of Christian Service rummage sale, M. E. church.
May 17—Junior Woman's club spring frolic.
May 21—Dorcas Aid Mother and Daughter banquet.

Arlington Hobbyists Show Wares

Hobby show "clatter" in the village has brought to light many very interesting and valuable collections owned by Arlington Heights collectors, which will be shown at the Hobby show on Friday evening.

Mrs. D. H. McNally will exhibit part of her large and unusual collection of more than 350 perfume bottles. Starting with a few small bottles, Mrs. McNally's collection now includes every conceivable size and shape and includes many foreign as well as domestic bottles.

Mrs. R. M. Ryan will display an interesting table setting of Mexican glass and silver ware, most of which she collected when in Mexico.

Mrs. A. G. Cubley will exhibit her collection of twenty-five domestic and foreign spoons which started by Mrs. Cubley's grandfather, between 1900 to 1901 when he traveled abroad. These include spoons from Russia, England, Switzerland, Belgium, and Austria, and other countries, some of which are no longer in existence. Her domestic collection includes spoons from the capitols of different states. All of the spoons are unusual in design and will be of much interest to exhibitors.

Mrs. E. C. Stroker will exhibit about eight of her own oil paintings. Mrs. Stroker has been painting as a hobby for twelve years. She has always liked to draw and started painting by tinting photographs in oils.

Mrs. Stroker has had no formal instruction in painting in oils with the exception of a pen and ink sketching class which she attended in high school. She has been her own teacher, through reading and studying books on art.

Mrs. Wm. Luehring will enter an antique kerosene table lamp which belonged to her great great aunt, Mrs. Jane Wells, a member of one of the first families to settle in Chicago. This lamp was used many years before Chicago had gas lights which was in 1821 and the lamp survived the great Chicago fire.

Marian Helfers has called wood-burning her hobby for several years. She became interested when she received a Pyrorite pencil for Christmas. She also has a collection of miniature elephants, with one from India included in the collection.

Mrs. R. E. Atkinson will display a mahogany table which was a wedding gift to her grandparents, Mr. and Mrs. Robert L. Whittenack of Marshalltown, Iowa, before the Civil war, and Mrs. Lee Atkinson will display a painting more than a hundred and twenty-five years old, which was painted by her grandmother, Mrs. Mary Smith, who lived in London, England. She also will display a needle point pot holder made by her grandmother, and two cologne bottles which were wedding gifts of her mothers who lived in Christchurch, Eng., and came to America on her honeymoon more than 88 years ago.

Mrs. Lee Atkinson also will have on display her own hobby, that of quilting. Since living in Arlington Heights, she has appliqued more than fifty quilts and has quilted more than eighty. The quilts which she will display are of the iris pattern.

Mrs. E. C. Stroker will exhibit about eight of her own oil paintings. Mrs. Stroker has been painting as a hobby for twelve years. She has always liked to draw and started painting by tinting photographs in oils.

Past Worthy Matron's Club Plans Card Party

The Past Worthy Matron's club of the Order of Eastern Star are planning a card party for Saturday evening, May 2, at 8 p. m. in the Presbyterian Parish hall.

Dessert will be served at 8 p. m., preceding the party, and members and friends are urged to get a "double dose" for a table of your favorite game, and attend this affair. Tickets are on sale at 30c each, and door prizes and table prizes will be awarded.

Mrs. Elmer Laurin, president of the Past Worthy Matron's club is in charge of the party.

Mrs. Warren Fellingham, president of the local P.E.O. chapter and Mrs. Jack Monroe, vice president are attending the State P.E.O. convention at Jacksonville, Ill., this week.

Mr. and Mrs. O. G. Barrett, Jim and Barbara, and the O. R. Stephensons of Joliet, all gathered at the Noble Stephens home in Oak Park on Sunday to help "Dad" (Mr. O. G. Barrett) celebrate his birthday.

John Hasterock Weds Libertyville Girl

Miss Blanch Vivian Smith became the bride of John Jay Hasterock Saturday afternoon, April 19, at St. Joseph's church, Libertyville. The bride was attired in white satin net and lace dress, the flowing veil being held in place by

an orange blossom wreath. Two bridesmaids wore yellow net over satin, trimmed in blue. The maid of honor wore blue net over satin. The gowns came from the bridal shop of Carson Pirie.

A wedding breakfast was served for the bridal party and the immediate family at the Old Colonial Homestead Wayside Inn, Libertyville. In the evening some 400

people gathered at Ray's Tavern for dancing and refreshments when the newlyweds received many congratulations and were showered with gifts.

The bride is the daughter of the Ray Smiths, shoe store people of Libertyville. The groom is the son of the Ray Hasterocks, who have conducted Ray's Tavern on Milwaukee Ave. since March 1919.

OBITUARIES

Hulda C. Fairchild

Hulda C. Fairchild, nee Roth, passed away Saturday, April 19, at the Illinois Masonic hospital after an illness of six months. She was born in Chicago August 26, 1892. Married to Harry C. Fairchild of Arlington Heights on Sept. 21, 1912. Three children came to bless this union, Mrs. Jack Tong of Chicago and Burton and Fern of Bensenville. She lived at River Grove for seven years and moved to Bensenville two years ago.

Funeral services were held by Rev. Upton of Pilgrim Congregational church of which she was a member from Hallemans Funeral Home at 4138 W. North ave., Chicago, at 2 p. m., Tuesday, April 22, 1941. Interment at Acacia Park.

She was a member of Justice Chapter No. 690, O. E. S. and Golden Rule Conclave No. 5, True Kindred. Active in church and lodge work, she was loved by all who knew her.

She leaves to mourn her loss besides her husband and children her mother, Mrs. Sophie Hann of Chicago, two sisters, Mrs. Ann Taylor Johnson of Chicago, Mrs. Rose Larsen of Charlevoix, Penn., and one brother, Mr. Gus Hann of Chicago, and many relatives and a host of friends.

Henrietta Geffert

Henrietta Geffert, nee Weinrich, of 204 W. St. James st., Arlington Heights, passed away at the Palatine hospital, Friday morning, April 18, at the age of 73 years, 9 months, and 14 days.

Mrs. Geffert was born July 14, 1867 in Arlington Heights, received her education and was confirmed at the St. Peter Ev. Lutheran

school and church at Arlington Heights.

She was united in marriage to Rev. Frank Geffert, November 18, 1891, at Arlington Heights by Rev. Roeder of the St. Peter Lutheran church. After marriage this couple went to Howard City, Michigan, to make their home and in 1894 Rev. Geffert accepted a call to Reed City, Michigan; Rev. Geffert passed away April 26, 1907, after which time Mrs. Geffert and her nine children came to make their home in Arlington Heights, where they have lived since.

She leaves to mourn her departure her nine children, Mrs. Italia Geffert, Mrs. Edna Kahn, Mrs. Verra Lackner, Mrs. Hilda Karstens, Mrs. Lydia Schroeder, and Mrs. Martha Winkelmann, all of Arlington Heights; Rev. Rudolph Geffert of Harvey; Mrs. Esther Reinke of Fort Wayne, Ind.; Rev. Walter Geffert of Mokena, Ill.; 16 grandchildren; two daughters-in-law; six sons-in-law; two sisters and five brothers.

She was resting at Karstens funeral home, Arlington Heights; services were Sunday afternoon at 3:00 p. m., at St. Peters Lutheran church at Arlington Heights; interment was in St. Peters Lutheran cemetery.

Campbell Primrose

Funeral services for Mr. Campbell Primrose, a former resident of Palatine, were held Thursday afternoon at funeral home, 3918 West Irving Park blvd., Chicago, under the auspices of Myrtle Lodge No. 795 A. F. & A. M. Interment was in Acacia Park.

Mr. Primrose became ill with a heart ailment at the Cub ball park Tuesday, April 15. He was taken to Augustana hospital the following morning and passed away at 9:30 Monday morning.

Mr. Primrose had a responsible position with a bright future at the Chicago River Co. He leaves his wife, a daughter, Blanch, a father, a brother and two sisters.

Deceased was born in Chicago July 7, 1897, where he resided the larger part of his life. He married Miss Elsie Burkhardt of Palatine, Aug. 27, 1921. They resided in Palatine from 1922 to 1924.

CARD OF THANKS

We herewith express our appreciation for the kindness and many expressions of sympathy received in our bereavement and especially do we want to thank Walter Karstens.

The Geffert Family.

Force Payment of Personal Property Tax Bills

A lot of taxpayers who received personal property tax bills for the years of 1938 and 1939 and paid no attention to them are now getting notices from some justice of the peace showing the amount of the peace showing the amount of their bill with all interest and costs added and telling them that suit will be started if the bills are not settled.

The justices of the peace to whom the collection of these personal property bills have been turned over have been informed by the state's attorneys office that the payment of personal property taxes even if he has to levy on the property.

This system has been put in effect by County Collector Toman in Chicago and has been productive of some surprising results in the matter of payments.

C. C. Hildebrandt Dies at 70

C. C. Hildebrandt, prominent Palatine citizen and former member of the Village board and president of the Cook County Fair Association, died Friday afternoon after a lingering illness.

Mr. Hildebrandt had been a resident of this community all his life, having been born at Long Grove. An employee of the Chicago and North Western railway for many years, Mr. Hildebrandt took pride in the progress of all the communities along the line served by his company.

He took an active interest in the affairs of Palatine and served as a valued member of the Village board for twelve years, from 1909 to 1921. Mr. Hildebrandt was also president of the old Cook County Fair association which, during its lifetime, brought much favorable publicity to this community.

Poor health forced Mr. Hildebrandt to give up active work several years ago, but he kept up his interest in all affairs of his home community, the state and the nation and was always ready to discuss the events of the day with his friends of whom he had a very large number in this community and throughout the railroad world. The funeral services were held Monday afternoon at St. Paul's church; interment being in Hillside cemetery.

MUSIC NEWS AND VIEWS

by ELMER D. HERRICK

Spring is here! Yes sir, even if it can be 70 in the shade one minute and mighty near freezing the next! How do we know? Well, you see it's this way. Folks have been havin' weenie roasts already! We don't like to say exactly that they're balmy because maybe that's their privilege this time of year, but we're tellin' you frankly that there were times when that fire felt awfully good.

You see it really dates back a week or so to the Thursday after Easter when the Burns family had a lot of company on account of Burneta's being confirmed and Edna's folks (Edna is Mrs. Burns), had never been on a weenie roast. The Burneses, in case you don't know it, live at the north end of South State rd. So the Burneses, and all their company including Edna's sister and Burneta's grandpa and grandma, and the Terricks and the Irving Kollings, went out into the middle of the Kollings potato patch and roasted weenies and drank coffee and ate doughnuts and had themselves a time. In fact they had too much fun.

Now, as like as not, if it isn't raining you're apt to have someone come to the door and say, "Come along, folks! We're going on a weenie roast!" Last week Floyd Burns had a birthday and so that was celebrated in the proper spring fashion in spite of chilly weather and the threat of rain. This time just the Burneses and the Herricks and the Kollings weren't enough; the Lakes and June Landmeier and the Mullers (who hail from Villa Park) had to be on deck, too. After everyone had eaten all the weenies they could, they promptly reduced by going on a treasure hunt; and the rain held off until everybody was on the way home. So if you see crazy things going on in Irving Kollings potato patch, think nothing of it. They're just at it again.

We have just been informed that Egbert is going to be at the Northwestern Guitar and Accordion club concert next week Friday, May 2. Egbert, in case you don't know, is the janitor the clubs have hired to clean up after their concerts; he doesn't have much sense and he looks it, but he can follow orders — tho he sometimes takes them a bit too literally. The concert, of course, will be at St. Lukes auditorium in Park Ridge and will begin at 8:00 p. m. Since this is Egbert's first big job since he graduated from first grade (after spending ten years there, his parents decided that perhaps he shouldn't go any farther), he will be properly introduced to the audience right at the beginning of the program.

Of course no one will come just to see Egbert; and, of course, Egbert isn't going to play because he sat down on his zither and broke it; but, as he says, there's going to be plenty of other good music beside what he could have played. For example, there's the accordion band of nearly fifty with attractive Lorraine Kruse doing two of the vocals and Howard "Zachler" Heide doing out in a cowboy number. Or consider the guitar orchestra of about the same size. Or the "swing it" rhythms of the Winkelman-Gaitsch trio, electric Hawaiian guitar, accordion, banjo, playing Tiger Rag, Ferryboat Serenade and others.

We could go on for hours like this and Egbert is just as enthusiastic as we are, but why tell you all about it if you're going to be there to see it yourself? Tickets are 25c and 10c with no seats reserved and you can get them at the door or from any of the Arlington players or at Herrick's Music House, 22 So. State rd. We'll be seeing you.

Albert Gibas to Speak At Educational Conf.

Albert Gibas of Arlington Heights will be among the more than 100 participants in the regional conference of the Progressive Education association which is to be held on the Evanston campus of Northwestern university Friday and Saturday, April 25 and 26. The program will be built around the general topic "Modern Education for Today's Children," and will include four general sessions, two sets of small group discussion meetings, and a luncheon. Gibas will speak Saturday morning on "Learning the Fine Arts."

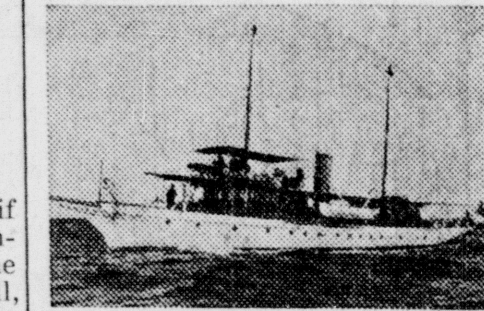

Defense Bonds and Stamps On Sale at Postoffice May 1

What makes a quiz fan quizzical? That's one you don't have to know to win a high rating in this intelligence test. Just dig into the problems below, mark your answers in the space provided and then check the answers and add points for your rating.

(1) You don't have to be a constant visitor to the Naval Observatory to know that when it's 4 p. m. in New York, clocks on the banks of the Mississippi register (a) 2 p. m.; (b) 3 p. m.; (c) 5 p. m.; (d) 7 p. m.

(2) Calling culinary experts! Here's one that's your "dish." If there was a "brulot" served you, you'd know it was (a) a heavily spiced roast; (b) a baked redfish; (c) a lighted pudding; (d) a pastry topped with whipped cream.

(3) The boat above is making 15 knots, which is more than 15 miles per hour. (True or false.)

(4) Paging historians! The invincible Spanish grand fleet that England conquered "way back when" was (a) the Armada; (b) the Great White Fleet; (c) the Banacubo; (d) the Del Marbo Fleet.

(5) Jewels are hard, so is this one. (Today's toughest.) The Rosetta Stone is priceless in the eyes of (a) jewelers; (b) archeologists; (c) the Royal Family of England.

(6) The word "fore" is associated with golf, but the word "contact" makes one think of (a) bridge players; (b) a tennis game; (c) airplanes; (d) road building.

(7) How's your angling knowledge? Fishermen have an old superstition that the best time to catch crabs is (a) after dinner; (b) when the moon is full; (c) at high tide; (d) following a rainstorm.

Get your rating from the answers found on the classified page.

Memories of the Highway

And still do you remember The bright and sunny days That you and I together Worked on the State Highways.

We picked up rags and paper And empty bottles, too, And then a little later We had a drink or two.

And in the balmy springtime, When cracks were open far, We had two extra men in line And filled them up with tar.

And when the weeds were growing The sun was shining hot We were kept busy mowing Till all the weeds were cut.

We swept gutters and bridges Kept intersections clean Cut down tar bumps and ridges Wherever they were seen.

And came along November Snow fences up were knocked, So that during the winter The roads would not be blocked.

And when the roads were slippery Then cinders we did spread So we would have no injury Or may be someone dead.

And when the snow was falling Snow drifts were piling deep, We sometimes still were plowing While people were asleep.

Long, long will we remember The bright and sunny days Fine bosses all, in number We had on the Highways.

by Wm. A. Meyer.

Yerba Buena Before it received its present name, San Francisco was called Yerba Buena, a Spanish name meaning "good herb." The name still clings to an island in the bay, connected to the mainland by the great bay bridge.

The United States Defense Savings Bonds and Postal Savings Stamps will be placed on sale in the Arlington Heights post office at the opening of business on Thursday, May 1, as part of the national effort to make America impregnable.

Postmaster Virginia F. Dodge announced this week that plans are nearly completed for this community, along with thousands of others from coast to coast, to do its full part at the opening of the savings program.

Postmaster General Frank C. Walker, in a letter to Postmasters throughout the country, said that the help of local postmasters would be "a real service to the country." He transmitted the thanks of Secretary of the Treasury Morgenthau for the help that local postmasters had already given in the sale of United States securities, and also Mr. Morgenthau's thanks in advance "for the co-operation which he knows you will give to this new effort."

The new Defense Savings Bond is similar to the familiar "Baby Bond," of which more than five billion dollars worth have been bought by more than two and a half million Americans since 1935.

A Defense Bond may be purchased May 1, or thereafter, for \$18.75. In ten years, this bond will be worth \$25.00. This is an increase of 33 1/3 per cent, equal to an annual interest return of 2.9 per cent, compounded semi-annually.

To spread investments widely among all the people in America, a limit of \$5,000 has been set on the amount of these bonds to be bought by any one person in one year. The bonds are in denominations of \$25, \$50, \$100, \$500 and \$1,000, all of which are sold for 75 per cent of their maturity value and all of which mature in ten years.

For the smaller investor who wants to buy a Govt. Bond on an easy payment plan, the post office will have a new series of Postal Savings Stamps, at 10c, 25c, 50c, \$1, and \$5. Each purchaser of any Savings Stamp higher than 10c will be given, free of charge, an attractive pocket album in which to paste his stamps until he has enough to buy a \$25 bond or one of higher denomination. Thirty million of these albums are now being prepared.

The cover design of the album is in color, featuring a United States battleship and an eagle bearing the American flag. On the back cover is a painting of the Minute Man statue by Daniel Chester French, which symbolizes the American citizen ever alert in defense of his country. The inscription is "America on Guard."

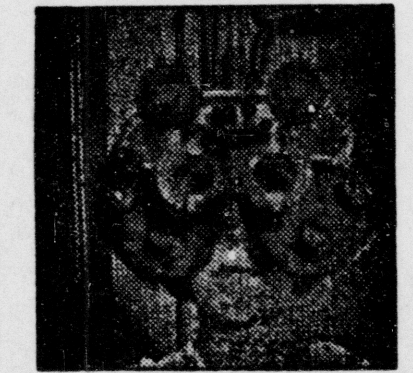

Secretary Morgenthau said that even a boy or girl who saved 10c to buy a Savings Stamp would help the country. He added that "you can safeguard your own money and your own future, while helping the national defense, by buying United States Savings Bonds now."

Twilight Golf Starts May 1; Teams Chosen

Arlington golfers will play their first round of golf for the Arlington Twilight Golf League, Thursday, May 1, teeing off at 6:00 p. m. Both regular members of teams and alternates are urged to be ready to tee off on time, so that all may play nine holes to establish their handicap.

First night's scores will not count toward the season's prizes, but prizes for the first night will be awarded on a blind bogey basis. There will also be special prizes awarded for the best scores of the last three holes of each nine.

Beautiful trophies will be awarded to the sponsors of the three best teams of the season and to the best individual golfer. Members of the three leading teams will also be awarded. Alternates have their own prizes to "shoot for." In addition, there will be a tournament and banquet at the end of the season, "on the house." Winners in Arlington's League will face the winners of Mt. Prospect and Des Plaines to determine the best of the three towns.

Lockers will be available to members of the league at no charge and showers may be taken at a very low cost.

Cards will be issued to members which will give them the privilege of playing golf at reduced prices on Sundays and holidays.

At a meeting of sponsors and members last week, officers of the league were elected and teams made up or submitted as follows: President—Willard C. Walters. Vice President—Bud McKaig. Secretary—Jimmy Kellogg. Treasurer—Herb Dow.

No. 1 — Neumann's Barbers—Stan Williams, Willard Walters, Elmo Williams, Geo. Schneberger.

No. 2 — Emerald Cleaners — Dick Wilke, Orville Baldwin, Marshall Sherrill, Elmer Schmitt.

No. 3 — Eddie's Castle Bar —

Dorothy Dibble To go to Washington For Folk Festival

Dorothy Dibble, 817 N. Chestnut ave., has been chosen as a member of a group of twelve students of Central YMCA College, Chicago, who will leave Sunday afternoon, April 27 for Washington, D. C. to participate in the National Folk Festival to be held in Constitution hall May 1, 2 and 3.

Under the direction of Joseph Creanza, chairman of the Modern Language Department of the College, who will accompany them, the students will present a group of French Folk dances at the opening matinee and evening performances. This is the third year that the Central YMCA College has sent a team to participate in the National Folk Festival.

DO YOU BELIEVE...

That our boys should not be sent again to bleed and die "over there"?
That America should be strong in its own might and defend its own shores?
That the president should keep his promise not to send our boys into a foreign war?
That "Convoys Mean Shooting and Shooting Means War?"
That there is still time for plain Americans to check the war mongers?

Put your belief into action — make your influence count — have the courage to stand for your conviction — join the rising tide of public opinion against a "shooting war."

EUCLID LAWN CEMETERY, a corporation not conducted for profit, announce that for the past 5 years they have been selling lots in the Lutheran section and in the non-sectarian section Number 8 opposite the entrance at prices much below those asked in other cemeteries in our vicinity.

We have advertised that there would be an increased price in the near future. We have now fixed a definite time when these new prices will take place. On and after June 16th, 1941, the prices will be very materially increased.

This announcement is made to enable those persons who have been putting off the purchase of lots in these sections and to purchase at the present low prices.

Positively no assessments of any kind. The purchase price includes the perpetual care of the lot.

Terms can be made to suit your convenience without any interest whatever. Office open Saturday and Sunday afternoons.

Franklin Park Man Commits Suicide

A coroner's jury Tuesday returned a verdict of suicide by asphyxiation in the death of Walter Pirwitz, 42 year old resident of a subdivision west of La Grange rd. near Franklin Park.

Charles George, Jr., son of the man for whom Pirwitz worked, came to the latter's house Monday afternoon to endeavor to discover why he failed to report for work that morning. George found the doors locked and noted the odor of escaping gas on the rear porch. With the aid of a neighbor, Harold Koch, entrance was gained and Pirwitz was discovered in the gas filled kitchen of his home.

The Franklin Park inhalator squad was called out but were unable to revive the victim. He was pronounced dead by an attending physician.

Pirwitz had been found with a rubber hose connected to a burner and inserted in his mouth, a blanket wrapped around his head.

TWO-WAY RADIO FOR DES PLAINES FIRE DEPT. IS NOW CERTAIN

Two way radio for the Des Plaines fire department is now a certainty after a decision reached last week by the members of the department at a special meeting.

Arguments for the equipment is that many times just the driver of the truck can go to the scene of the fire and then radio back to the city hall if the siren need be blown to assemble the entire department. Much money should be saved in this manner in the case of prairie fires and small blazes.

ONE HURT IN SKOKIE ROAD COLLISION

One person was injured Friday evening on Skokie road just south of the county line road when a car pulled into a business establishment from the highway into the path of another car.

A. Franco, Winnetka, was driving north on Skokie when he made a left turn towards a cafe. As he did this he swung directly into the path of Bernard Friedman, Waukegan, southbound.

Dorothy Provencher, Kenosha girl riding with Friedman, received a cut lip.

MORTON GROVE PIGEONS ATTEMPT DIVE BOMBING

Four pigeons fell from a nest on top of the chimney of the home of Fred Graf, Morton Grove recently and became lodged in the chimney above the fireplace. The family was aware of the plight of the birds when they heard cooing in the living room for 24 hours. They called the volunteer fire department who sent three men to rescue the birds. When released in the back yard, the pigeons immediately flew up and perched on the chimney rim.

WALTHER LEAGUE

Northern Illinois District

News items for this department should be mailed not later than Monday to Arlene Nagel, publicity chairman, 804 N. Douglas St., Arlington Heights.

Don't forget the Pre-Talent Festival this Sunday evening at Park Ridge—St. Andrew's. There are twenty-odd participants, most of whom have something different to offer from the next one. The first part of the program will be a trip for Leaguers with stops at each society's home for a revue of the talent there. Last year at the rally at Itasca, this type of entertainment was very well received and received many favorable comments, so this year with its increased number of participants and its unique program, it should attract all of you. Remember, festivities start at 7:30.

Nothing more need be said about the opera—just get your tickets now. They are going fast. So many requests have come in for reserved seats that it was necessary for the ticket committee to reserve the entire main floor. You know at an opera, the music blends better as it floats out over the air so even the very back seats will be choice ones. Then, the chairs will be staggered so everyone will be able to see no matter where his seat is. Every real loyal leaguer will be there. Will you be one of them or one of the slackers?

Friends of Herb Ristow of Park Ridge had a farewell party for him

'Helpful Hannah' Hit While in Action

An unknown driver whom we might well call "Helpful Hannah," driver of a Sears truck was struck Saturday night while attempting to pull a stranded motorist from the ditch along Higgins road west of York road.

Rudolph Stockinger, Winfield, Illinois, was driving west on Higgins when he struck the truck parked across the highway. No serious injuries resulted.

TWO CARS COLLIDE AT RIVER, DEVON JUNCTION

Two cars collided last Tuesday morning at the junction of River road and Devon avenue when one of the autoists admitted failing to come to a complete stop, but no one was hurt.

Emil Joelson of Waukegan was driving south on River road while Herbert Gundelach of Chicago, erring motorist, was traveling west on Devon. Gundelach admitted not stopping but said that he had slowed to ten miles an hour while crossing the intersection.

MT. PROSPECT, ARLINGTON PASSENGERS INVOLVED IN ROUTE 58 COLLISION

Mrs. Anne Meier, Mt. Prospect, and Mrs. E. L. Peterson and daughter of Arlington Heights, were involved Saturday afternoon in a collision on rte. 58 about a mile west of rte. 83, formerly 54.

Mrs. Meier had pulled partly from the Peterson drive on Golf rd. when William Worchester, Aurora, driving along rte. 58, applied his brakes, skidded off the road, went through Uncle Sam's representative and struck the Meier auto. None of the occupants were injured.

WILLS FILED ARLINGTON HEIGHTS

Mrs. Ida Eichelberg, who died in Evanston March 12, left a \$7,500 estate. After giving her household effects to her two daughters, she ordered the residue of her estate divided equally between her six children. They are: Charles J. and Henry Eichelberg, of Mount Prospect; Edward and William J. Eichelberg, and Emma Johnson, all of Evanston, and Alma Lauling of Arlington Heights. Edward Eichelberg was named executor of the estate.

GLENVIEW

Probate Clerk Frank Lyman reports that Herman Engel died intestate in Chicago March 11, leaving a \$5,800 estate. His heirs are two half brothers, seven nephews, three nieces, a grandnephew and grandniece. Carl Engel, of Glenview, nephew, is one heir.

Marriage Licenses

No Clothespin on this Car's Nose!

WOULDN'T a sprinter or a long-distance runner look silly trying to race with a clothespin firmly clamped on his nose!

Yet, in a sense, something fairly close to that happens in nearly every car that lacks Buick's sensational Compound Carburetion.†

For your engine has to breathe in huge quantities of air to be mixed with gasoline before it is burned in the cylinders.

But single-carburetor fuel supply systems can handle only a given volume of air.

To that extent, then, an ordinary engine has a clothespin on its nose—a limitation on air supply for big power operation.

We remove that clothespin very simply—by having two carburetors; one that handles all casual driving smoothly and efficiently, another to jump in with more air and more fuel when you call for extra power by stepping on the gas treadle!

Simple? Very simple indeed.

And simply marvelous in the extra FIREBALL wallop it gives you and in the gas savings you get—as much as 10% to 15% over previous Buicks with the same-size engines.

Maybe you'd better go see your Buick dealer now.

†Optional equipment on the Buick SPECIAL, standard on all other models.

Swine Erysipelas Harbored in Soil In Illinois Areas

Swine erysipelas "distinctions" where the disease is a serious problem are appearing in different localities in Illinois, report animal pathologists of the University of Illinois College of Agriculture. Studies at the college show that swine erysipelas is caused by tiny rod-shaped bacteria too small for the eye to see. Once established in the soil, where the organisms grow and multiply, they are not destroyed by freezing and are shaded from the sun's rays. There is no way known to free the soil of the organisms once they have been established by infected animals, and the disease has prevailed unrecognized in Illinois for many years.

The disease is peculiar in many respects, the animal pathologists say. Only some soils seem to harbor the organisms, thus forming the erysipelas localities. Good swine management, such as the McLean county system of swine sanitation, is the best known and most practical method of controlling the disease.

The disease occurs both in acute and chronic form and attacks animals of all ages. In the acute form, erysipelas is characterized by its sudden onset, often affecting a large number of the herd at the same time. In this form it is often fatal. The chronic is the so-called "knotty-legged hogs," which carry the organisms in the affected joints and may act as spreaders of the disease.

Avoiding the purchase of diseased swine of any description, following a strict sanitation program, confining sick swine and removing unaffected swine to clean grounds, disposing of manure and other waste from infected swine and burning hogs that have died of the disease all help in preventing and controlling swine erysipelas. Money spent on treating chronically affected pigs with swine erysipelas anti-serum is wasted.

In the acute type of the disease, the anti-serum is helpful, according to the pathologists. Veterinarians have found it advisable to eliminate the possibility of hog cholera by immunizing all animals in the herd with anti-hog-cholera serum and virus.

First Bathtub

The first bathtub in the United States was installed by Adam Thompson, a wealthy grain and cotton dealer of Cincinnati, in 1842. He had a party of gentlemen to dinner, all of whom tried out the new invention.

Famous American Women

The volume "American Women" is a standard biographical dictionary of notable women, containing 10,222 biographical sketches. It is edited by American Publications, Inc., Los Angeles, Calif.

ARE YOU RAISING BROILERS?

LINDNER'S BROILER RATION has been proven to be equally successful on chicks on the range as well as those in batteries. It contains only the best ingredients needed for building strong and healthy chicks.

This mash fed from start to finish will give you amazingly good results. Sheer happiness will reign in your flocks as well as in your household when you see how the flocks thrive on LINDNER'S BROILER RATION. No more need be said about the wonderful results of this feed, for many poultry raisers in this territory praise it for its good results. In other words try a bag and you will see that it speaks for itself.

We are always in the market for corn. See us when you are ready to dispose of your corn.

TELEPHONE 11
ARLINGTON HEIGHTS

Will It Pay AAA Cooperators to Increase Corn?

"If AAA cooperators decide to increase their corn from their allotments, which is an increase of 40 per cent, it will pay to do a little figuring," states Carl Boromet, chairman of the Cook County AAA committee.

Recent computations made under the direction of Dean Rusk of the State College of Agriculture has developed these recent figures, using normal costs of producing an acre of corn, taken from farm account records. We find the following possibilities so far as production is concerned in these individual cases.

Corn at 60c Per Bushel

Let us suppose that in spite of over-production, corn would sell at an average of 60c per bushel and that the productive yield of your farm assigned by the AAA is 40 bushels to the acre. Usually farmers figure that their yields will be higher than AAA assignments. Suppose the actual yield is 50 bushels of corn, we find that by losing the parity and the ACP payments, and with the increase that will be secured by raising more corn, the average farmer will get \$16.00 per acre by not complying. However, we find from cost accounts that it takes from \$12.00 to \$16.00 for labor, power, machinery and seed, to grow and harvest an acre of corn. Therefore, it does not appear that there will be any actual gain from increasing corn under these conditions and sacrificing the 9c ACP payment, with the 5c parity payment.

Corn at 50c Per Bushel

Under the same conditions, supposing corn is 50c per bushel, cost of increased production on the above figure will become \$11.00 with still \$12.00 to \$16.00 cost for producing the crop, this would show a loss by not cooperating.

With Corn Parity Increased to 9c

There is a possibility, due to pending legislation that the parity payments will be increased from 5c to 9c per bushel. In this case, the non-cooperator or man who increases his corn acreage will be at a still greater disadvantage. In the case of the 60c corn as above mentioned, his advantage will be \$12.00 per acre instead of \$16.00, with the same costs to produce his crop, which at best will let him break even. However, if corn is 50c per bushel his advantage will be only \$7.00 per acre, with \$12.00 to \$16.00 costs for production — in this case each farmer will stand to lose \$5.00 to \$9.00 per acre for not complying.

Some other reasons for compliance aside from the monetary considerations are increased corn will not contribute to soil conservation and improvement, and again the costs of labor and amount of fuel, repairs and work will be increased. Increasing corn acreage will interfere with the orderly use of labor, which will be high this year, and other crop and live-stock enterprises. We should not forget that Illinois does not need any increase in corn supplies in 1941.

For these reasons, it is believed that farmers who are in the program should stay close to their allotments and farmers who are not in the program might well consider the advisability of coming in the program before the final date, which is April 30, comes around.

Tomatoes Classified Non-Depleting

Farmers who will have a tomato acreage under contract this year, may be interested to know that in the AAA program they are classified as non-depleting, or would take the same classification as clover and alfalfa.

This applies only to tomatoes for processing. This will enable farmers to better fill in their general soil-depleting acreage and if they are interested in knowing how this works, they should call at the AAA office.

April 30 is the last day for signing.

Other Elements Must Supplement Use of Phosphate

"Phosphate, which is being brought into new prominence by current farm programs, must not be considered of first importance on soils until it is known that limestone, nitrogen and organic matter deficiencies have been met," according to C. M. Linsley and A. L. Lang, agronomists of the University of Illinois College of Agriculture.

"On some soils where a lime-legume program has been followed, potash may limit crop production. Where this deficiency exists, the benefits from phosphate will be limited until potash is applied. Only on soils that are found to be deficient in phosphorus can phosphates be expected to give consistent profitable returns.

"To increase forage growth, the use of phosphate as a top-dressing on established meadows and pastures which can not be disked is not considered the best practice. However, on permanent pastures where renovation by cultivation is impracticable, top-dressing is the only alternative.

"On phosphorus-deficient soils where phosphates are to be used for improving the forage crop, it is best to work the phosphate fertilizers into the surface soil either immediately ahead of or with the seed at seeding time. In broadcasting relatively large amounts, it is best to work the phosphate into the soil ahead of seeding. For smaller applications it is best to drill with the seed at seeding time.

"With the use of the recommended rate—300 to 400 pounds of superphosphate and 700 to 1,000 pounds of rock phosphate to the acre—there will be very little difference in immediate effect, but the residual effects of rock phosphate will be greater.

"With no legumes in the pasture or meadow, superphosphate may be immediately superior. With legumes, rock phosphate may have the advantage. Because of the residual effect and the desirability of maintaining a high percentage of legumes on soils, rock phosphate is generally recommended." For best results with rock phosphate, alfalfa or clovers should be grown regularly in the rotation and an abundant supply of organic matter should be maintained in the soil by the return of legumes, crop residues and manures."

Farmers Warned On Buying Farms In Columbia Basin

Any Cook county farmers who are looking for a chance to move to better land should go slow and cautiously before buying within the Columbia Basin irrigation project in the Northwest, according to word which Farm Advisor Hughes has received from the U. S. Department of Agriculture.

It is feared that many farmers, especially those living far from the area, will pay too high prices or otherwise make purchases unfavorable to themselves.

For one thing, land values within the project vary greatly. Only about one-half of the 2½ million acres are irrigable, and this irrigable land ranges in value from less than \$5 to more than \$30 an acre. It is obvious that no one should pay a high price for land within the area merely because the project is under construction.

Another important factor is that although Grand Coulee Dam is nearing completion, the irrigation system must be constructed before water can be made available for any of the land. At the rate of construction planned, 50,000 acres will receive water in 1944, and thereafter from 50,000 to 70,000 acres or more will be added each year until all the 1,200,000 acres receive water. This will probably take about 25 years. The buyer should find out just when his particular piece of land will be irrigated. The Interior Department has appraised the land at its unimproved value. There is no reason for anyone to hurry to buy land.

By writing to the Bureau of Reclamation, Coulee Dam, Washington, a prospective buyer can obtain information, both on the appraised value of any piece of land in the area and also the probable date of its irrigation.

Particular attention is drawn to the necessity of all prospective buyers' knowing the terms of the Anti-Speculation Act. Although it is not yet in operation in the area, its provisions can be very effective in protecting the buyer. Among other things the act limits ownership by private individual to 40 irrigable acres of land by a man and wife to 80 acres. It also requires that all land sold on which the buyer will expect water must be sold at present-day market values without reference to the proposed irrigation works.

Flavored Milk Drinks Bolster Family Health

Drinking milk is a defense measure these days. To those home-makers whose families dislike the "milk flavor," dairy specialists at the University of Illinois College of Agriculture suggest creamy chocolate milk drinks or colorful fruit drinks which give an entirely new and delicious flavor to the milk.

Grape Drink

A grape puree is made by boiling the sweetened juice to a soupy consistency and then adding this to the milk until a delightful color and flavor are produced. Usually two to three teaspoonfuls to each glass are sufficient.

Blackberry, pineapple and cherry drinks may be made following the same recipe.

Raspberry Drink

Raspberry, strawberry or orange drinks are made in much the same way. About three tablespoons of sugar are added to one quart of milk. Raspberry or other extract is added until the desired flavor is obtained. A few drops of artificial

area and also the probable date of its irrigation.

Particular attention is drawn to the necessity of all prospective buyers' knowing the terms of the Anti-Speculation Act. Although it is not yet in operation in the area, its provisions can be very effective in protecting the buyer. Among other things the act limits ownership by private individual to 40 irrigable acres of land by a man and wife to 80 acres. It also requires that all land sold on which the buyer will expect water must be sold at present-day market values without reference to the proposed irrigation works.

color give a more colorful drink.

Dextro-Milk

Something new to try on the family is dextro-milk made with 1 cup of corn sugar, 1 level tablespoon of malt and enough milk to make one half gallon of the drink.

The ingredients are placed in a double boiler, and cooked for 1½ hours with occasional stirring. The drink is cooled and flavored with vanilla. It may be served hot or cold. Because of the prolonged heating of the milk, the drink is very easy to digest.

Chocolate Milk

A chocolate milk drink which does not "settle out" is made with 2 level tablespoons cocoa, 1½ level tablespoons cornstarch, ½ cup sugar and ½ gallon milk. The cornstarch, sugar and cocoa are mixed together dry, then added to the milk and the mixture heated to 180 degrees F. When cool, the drink is flavored with a pinch of salt and a few drops of vanilla.

Unit Furniture

The magicians haven't anything on some of the modern designers who plan furniture. Some of it can play music, serve you up refreshments, flip up a choice of games. But in a broader sense these trick talents of modern small-space furniture are of less practical importance than the unit design of the different pieces which makes it possible to fit them into any wall spaces you happen to have. If it's your destiny to move from time to time, this is a particularly satisfactory quality. You can get shelves, cabinets, desks, even tables and sofas that can be fitted together in various combinations.

Patrol Covers U. S.

Wisconsin's recent authorization of a uniformed traffic patrol marks the completion of such action by all 48 states of the Union.

News of Yesterday ...

30 Years Ago—1911

FRIDAY, APRIL 23, 1926

Itasca

Mrs. H. H. Franzen returned home from her trip in the east on Saturday.

Mr. and Mrs. Russell Paulson entertained Chicago guests at dinner Wednesday evening.

Mr. and Mrs. Fenstermaker returned from Wyoming on Tuesday.

Adelbert McKenzie returned to Carroll college after his spring vacation.

Mrs. Proker entertained her grandmother from Chicago a few days.

Schaumburg
Her. Fasse sold his farm recently to a Chicago party.

Ernst Dieke went to Minnesota last week to attend the funeral of his brother.

Mrs. Fred Salge and daughter, Alwine, were in Elgin, recently on business and met some old time friends.

Quite an excitement was at the school election in district 34 April 17, when Emil Litchardt beat Fred Springinsguth for director by one vote.

Bensenville
Martin Moran of Detroit spent several days last week with his mother, Mrs. Margaret Moran.

Mr. Albert Tompkins and family spent Sunday with his parents in Oak Park.

William Stueve had the misfortune to break his right arm while cranking his car.

Mr. and Mrs. Dan Sullivan will soon leave for a trip to Cedar Springs, Mich.

The stork visited at the home of Mr. and Mrs. Edward Wittke and left an 8 pound baby girl April 14.

Miss Alice Dohse celebrated her birthday Sunday, April 18.

Arlington Heights
Monday last week Mrs. R. H. Boeger was pleasantly surprised by a visit from her cousin, Clarence Marley, and a group of six friends who came by auto from her mother's old home in Michigan.

Born to Mr. and Mrs. Carl Granzin a son, April 12.

Miss Florence Traub was hostess to a new five hundred card club, which was organized in her home last Friday.

Mrs. George Garland received 23 callers Sunday, among them many old friends in the hands of her children, Mr. and Mrs. Garland.

Mrs. Arthur McElhose entertained a group of friends in her home Tuesday afternoon to meet Mrs. Charles Scherf.

Mrs. Helen Knack entertained 22 young ladies last Friday at a miscellaneous shower in honor of Miss Gertrude Roehler, who will be a June bride.

Mrs. F. A. Whiting left home Thursday to visit relatives at South Bend, Indiana.

Mr. and Mrs. George Firnbach were out from the city to visit his parents Sunday.

Palatine
Mrs. Louise Abelmann, the wife of the late August Abelmann, for many years of the firm of Batterman, Abelmann & Ost, died at her home in Chicago April 17, aged 70 years.

Mortimer Fosket had the misfortune to break a bone in his ankle last week.

Mr. and Mrs. August Taepel are parents to a baby boy born this week.

Born to Mr. and Mrs. Frank Schram a daughter.

Edward Will has scarlet fever, so the home is under quarantine.

Palatine friends of Mr. William Mosser were shocked to hear that "Will" had died suddenly in his home in Arizona.

Mr. Plinn Arps and son, Lawrence, of Lansing, Mich., spent the week-end at the home of G. H. Arps.

Rudolph Timmerman and family have moved to a farm on the Rand road; he will keep his milk route just the same.

Miss Amanda Heims, who has been in the west, is expected home about May 1.

15 Years Ago—1926

FRIDAY, APRIL 21, 1911

Arlington Heights

The two Bump girls have commenced public school.

Miss Zilda Tesch had a party at her home Sunday evening.

Emil Sieburg spent last week with friends at Grand Rapids, Mich.

Ethel Wayman visited a few days last week with friends in Ravenswood.

Mrs. Anna Weber, who has been sick since her operation, is able to be around again.

Mrs. Edwin Noack and baby returned Monday to their home near Turtle Lake, Wis.

Miss Mamie Garms returned Monday after spending a few days with her cousins in Kankakee.

Mr. and Mrs. S. E. Pate had their infant son christened Wallace Wilbur Sunday at the Presbyterian church.

Charles Klehm and wife had their little daughter christened Emma at St. Peter's Lutheran church Sunday.

Chas. F. Scherf, who has been working for the Lowell Mfg. Co. of Erie, Pa., has been promoted to traveling salesman with the states of Michigan and Wisconsin as his particular territory.

Lorna Taege, Hilma Tesch, Marie Meyer, Emma Kehe, Ellen Lackner, Elmer Winkelman and Henry Hartmann are some of the confirmations who entered public school Monday.

Burkitt's Garage, Arlington Heights, had an ad in the paper advertising E. M. F. 30, Maytag, and Cole cars.

Palatine

Miss Hazel Dean spent Easter with her parents.

Mrs. Hopkins has gone to Aurora to visit her sister.

J. Burkhardt has moved into his new residence on Hale st.

Mrs. Frank Keyes and daughter, Mrs. Duffy, are visiting in Chicago.

Conrad Groll and Louis Krum are the latest winners in the suit club.

Mrs. Harry Schoppe is entertaining her niece, Florence Peeler, of Chicago.

Wm. Zollich had an attack of pneumonia last week and is still confined to the house.

Chas. Kennack was kept from the market the first of the week on account of illness.

Misses Elsie and Cassie Gainer were home from Barrington the first of the week on account of the spring vacation.

Roselle

Chas. Meyer's baby boy was christened Erwin Monday.

Al. Sumner and wife are happy parents of a baby daughter.

W. Kaste's baby girl was christened Laura, at the church Sunday.

Dr. L. Zochert was elected director at the school election Saturday.

Mrs. Geo. Schnesler, formerly of Roselle, died of appendicitis; funeral April 12.

Itasca

Little Ione Jacobus is sick.

Mrs. H. H. Franzen was home from Elgin Saturday and reported her son, Elmer, doing well.

Rev. Luke will deliver his farewell sermon of the Presbyterian church Sunday.

Village election Tuesday resulted: H. H. Franzen, president; W. C. Hoffman, G. N. Lake, and H. H. Geils, trustees; John Quirk, street commissioner.

S. F. Shoemaker and wife will move soon to Grand Rapids, Mich., where they will make their future home.

Bensenville
Fred Volberding has a new coaster brake.

Fred Warnecke was here Sunday to visit his parents.

Mrs. Fred Wall, daughter and son, were in Chicago Tuesday.

Miss Edna Franzen returned home last week from her trip to Minnesota.

Harry Volberding was here last week to visit his folks and left Sunday for Champaign.

Lions Hold Sweeper; Plan Six Team League Next Year

Arlington Heights Lions club bowling league stepped out to a rousing finish in their sweepstakes event at the Mt. Prospect alleys last night. The "average" bowlers captured the majority of the prizes while the top notch players trailed to field. Roland Johnson, who led the league this year took the "booby" prize. Lunch was served after the sweepers was over.

The sweepstakes scores, including the handicap, are as follows: Henry Dreyer 701; S. Paddock Jr. 688; Ray Lemke 659; Henry Gaare 656; C. V. Baker 656; Anthony Scolaro 646; Richard Wilke 640; W. Karstens 639; Wm. Lussman 637; Otto Wulbecker 631; George Orth 625; Ralph Hauke 614; Geo. Schimming 611; E. Karstens 606; Virgil Horath 580; Harry Levine 579; Fred Gieseke 550; Gustave Heidorn 545; Arthur Franzen 540; Roland Johnson 524.

League play ended two weeks ago with the White Sox ten games in front. The Yankees just nosed out the Giants in the last game of the season while the Cubs continued to occupy the cellar.

The Lions started out with their own league this year for the first time. Bowling proved to be so popular that plans are being made for six teams next year instead of four.

Purina 34% Cow Chow is especially built to go with home grain to make it do a better milk-making job. It's really a key to unlock the milk in your home grain! That's why so many grain-raising dairymen now balance their grain with Cow Chow—and it's making them lots of milk and money, too. Come in—let us show you records of local dairymen who are making money on the Purina Plan.

Mac Says-

by GERALD A. MC ELROY

Saturday is the big sports day of the year in Palatine. The little invitational meet started nine years ago by Carl Megel, with eight schools competing in a very informal affair, has expended to include more than 20 teams classified in two divisions. The program in the early meets was the usual lineup of individual events but in 1935 the name was changed to the Palatine Relays with the emphasis ever since on the team events. Now the program includes 18 events with both morning and afternoon sessions and 153 medals and two trophies are awarded in a competition which attracts in the neighborhood of 400 athletes.

Records Broken Every Year

A glance at the Palatine Relays records printed elsewhere on this page indicates that the meet produces annually the best talent of any meet in the state attended by schools under 700 enrollment. Every year records have been broken and 1941 will not be an exception.

Cipri After 440 Mark

Zedrow of Naperville and Cipri of Palatine, may break the 100 and 440 records. Smith of Geneva has run well under the mile mark. None of the relay records are safe if the weather is warm and the track fast. Most likely to go are the class A, two mile mark and both A and B medley marks.

Pick Naperville To Repeat

Who will win the meet this year? That is not a hard question to answer for the A division. Naperville's reign is due to continue for another year making it four in a row. Crystal Lake will undoubtedly give Naperville more competition than last year, but does not have enough all round strength. Arlington might be the team to cop third honors.

Bisons Get Call in B Class

In the B division picking a winner is a tough assignment. Last year the meet was exceptionally close. In fact so close that a dropped baton cost Palatine the championship and moved them to third behind Geneva and Bensenville. The Pirates seem to be just about as strong as last year. With Langhoff ready to run his usual mile Palatine would be a cinch. Langhoff, however, may not even compete due to an injury so it's anyone's meet with Bensenville getting the call by a narrow margin due to their strength in individual events. Less is marks with 15.8 sec. this year, but it may be their turn to finish in the third spot.

Real Competition

One of the events Saturday which will furnish unusually keen competition will be the high jump. Six boys among the entries have been making about 5 feet 8 inches in recent meets. They are Kiefer of Bensenville, Harth of Arlington, Newsome of Naperville, Michaels of Crystal Lake, Hoskins of Libertyville, and R. Doss of Leyden.

Other Good Marks Reported

Behan of Crystal Lake reports the best discus mark among the entries with 136 feet followed by Marshall of Marengo with 130. Pomplum of Bensenville tops the high hurdle marks with 15.8 sec. Cipri's mark of 5:36 in the 440 yard run is the best reported to date this year. Smith's mark of 4:42 minutes in the mile for Geneva is among the best though Palatine's injured Langhoff had one of 4:39.6 at the Oak Park relays. Zedrow is tops in the 100 with a mark of 1:01.2 seconds. Newsome of Naperville, Ross of Crystal Lake, and Myers of Barrington, 20 foot broad jumpers. Widder of Naperville, Michaels of Crystal Lake and Thomas of Bensenville are pole vaulters capable of 10 feet 6 inches or better.

Shot Put Weak Event

The prospects are that a toss of about 45 feet or even less will cop the shot put. Even 43 feet might do it. No entry has a mark better than the 43 feet 8 inches made by Behan of Crystal Lake. Jennings of Geneva and Stark of Naperville have made 42 feet.

May Go Back to 16 Team Tourney

A poll being taken by the State Coaches Association shows that the ratio is five to one in favor of going back to the old 16 team standard in basketball tournament in place of this year's four team final. One of the arguments for the quarter-final tournaments was that more fans could thus see the final rounds of the state series, but the figures tell a different story as the income this year was below that of 1940 by quite a margin.

Set State Meet Qualifications

Boys who win first or second in the state district track meets to be held on May 10 qualify for the state finals at Champaign the following week. In addition boys who make marks of a certain standard in some events in the district meet, qualify even though they might not be among the leaders. The marks which automatically qualify are as follows:

High jump—5 feet 10 inches.
Pole vault—11 feet 8 inches.
Broad jump—21 feet.
Shot put—47 feet.
Half mile—2 min. 5 sec.
440 Dash—53.4 sec.
Mile run—4 min. 45 sec.

A Success Story

We have always told our physical education boys that most any fellow who would go out for track four years in high school and work and train conscientiously could make good and win a letter. We have a good example this year in Palatine. For two years a slightly built lad practiced for the mile run. As a sophomore the best he could do was 5:28, finishing in every race so far back that some of the other students wondered why he did not quit. He always finished, however. Last fall he was out for

Cardinals Split Varsity Baseball Games

Warren Blue Devils Face Arlington

The Cardinal baseball team of Arlington Heights high school got under way last week with two varsity games and one junior contest. The varsity broke even, winning from Northbrook and losing to Evanston. The frosh-sops beat Evanston's youngsters.

The varsity game with Evanston was the season's opener and the Cardinals were very jittery. The team is almost entirely new and inexperienced. In the first and fifth innings they blew wide open and helped Evanston score four runs each inning. Evanston picked up enough runs in other innings to make the final score 13-0 as the Cardinals collected a meager total of three hits.

In the Northbrook game Al Stier made his first varsity start and pitched competently for five innings, during which he allowed one hit. Weakening in the sixth, he was touched for solid hits by the first two men to face him. Dick Busse did some fine relief hurling for the remainder of the game, giving up no hits and striking out three men. Meanwhile Santucci of Northbrook was shacking the Cardinal hitters effectively.

An error at shortstop in the fourth inning paved the way for three Cardinal runs. This was followed by two throws to the wrong base on balls hit hard to the infield, on one of which there was an error. Heads-up running by Millay scored the third run of the inning. The Cards did not have a base hit in the inning, and collected only one in the entire game. Santucci, who recently pitched three innings of hitless ball against Waukegan, deserved to win, but better support behind a good pitching effort gave the victory to Stier.

The freshmen and sophomore players earned a 4-3 victory over Evanston on the same day that the varsity teams of the two schools were meeting. Jim Crawford started the first game of his high school career and was an impressive prospect. He allowed two hits, both of which might have been turned into put-outs by alert fielding. He allowed two bases on balls and struck out seven batsmen. The Cardinals' fielding was able to score four runs in a big third inning on two hits, three walks, and a punctured batsman.

Arlington opens its conference season Monday in a contest with Warren. This contest has been re-scheduled from a previously announced date due to other activities at Warren.

The visiting Warren Blue Devils have a veteran team with a speed ball pitcher named Bratzke. The Cardinal attack has been mild enough to date and does not promise the pitchers much margin to work on. It will take air-tight defense and alert offense if Arlington is to start defense of its title with a victory.

The game will begin at 4:00 o'clock at Recreation Park. Fans are invited to attend and support the team.

rick (Nap), 3rd; Pomplum (Ben), 4th; Lehman (Nap), 5th; time: 2:46 sec.

Twenty-One Schools Enter Palatine Relays Saturday

Naperville Favored In Class A; Toss-up Among Three in 'B'

Twenty one schools have entered the ninth annual Palatine relay to be held Saturday, April 26. Eleven are in the "E" division of those under 325 enrollment. Finals in all the field events will be held in the morning starting at 9:45 while a 13 event program of relays and individual running events will open at 1:30 p. m.

Naperville in the A division and Geneva in the B group have won the meet for the past three years. This year Crystal Lake with a well balanced squad is expected to give Coach Harshbarger's Redskins a stiff battle for the class A championship. Bensenville and Palatine who pushed Geneva to the limit last year have possibilities of dethroning the team from Kane county. Coach Trapp's Bensenville Bisons are exceptionally strong in the individual events with Pomplum, Kiefer, Thomas, Reitz, and Audas almost certain point producers in the high hurdles, high jump, pole vault, discus, and dashes. Bensenville will also be very strong in the 880 yard and Frosh-Soph relays.

Pirates Depend on Relays

Palatine will have to depend largely upon their strength in running events to produce their points. The Pirates who captured the Geneseo relay two weeks ago have strong entries in all the relays and should finish no lower than third in any of them in class B. They are favorites to cop the two mile and medley relay events. Cipri and Senne are strong Palatine entries in the 440 yard run. Senne was 440 winner in last year's meet and Cipri went to the state in that event last year, finishing sixth in the finals at Champaign. If Langhoff, Pirate miler is in shape to run Palatine should take a good place in that event. Langhoff has been suffering from a bad case of shin splints and may not be able to compete. In that case Timmerhaus and Anderson, both of whom have run under the five minute mark, will be the mile for Palatine. Ray Hahnfeldt appears to be a certain place winner in the discus for Palatine. He has been close to the 130 foot mark on several occasions lately.

Geneva Defending Champ

Geneva has a well balanced team with Jennings and Holmes returning place winners in the shot and discus events, and a miler in Smith, who has been timed in 4:42 minutes on one occasion this year. Last year Coach Carl Nelson's team did not win a single gold medal in the meet, but carried home the title by virtue of well balanced scoring. A number of their stars of last year are gone and the chances are that Bensenville will win the meet.

Zedrow May Break Record

Naperville has a well balanced team with strength in every event. However, the Redskins lack the first place winners of other years and may have tougher going than usual. Zedrow may break his own 100 yard dash mark of 1:01.2 seconds and other strong competitors will be Arden in the mile, Newsome in the high jump and broad jump, and Otterpohl in the 440. Naperville's greatest strength this year will be in the relays. They are doped to smash their own two mile relay record and should also break the medley mark.

Lakers May Push Naperville

Crystal Lake will base their hopes outside of relays upon Rehberg in the 100, Michaels in the pole vault and high jump, Behan in the shot and discus, and Bill Ross in the high hurdles, 440, and broad jump. These boys are potential first place winners aside from Rehberg who will find Zedrow

of Naperville and Bacon, colored speedster from Lake Forest, too tough in the 100.

Cards Have Good Entries

Arlington Heights does not have a well balanced team, but will score a lot of points. Niemeyer in the mile, Harth in the high jump, and both Briggs and Heinze in the high hurdles are good boys. Masseng is a good 440 and 880 yard man and will give the Cards a strong medley entry. Arlington will be very strong in the Frosh-Soph relay, and the low hurdle shuttle event and should score well in the two mile relay.

15 In Shuttle Relay

The new event on the program, the 432 yard low hurdle shuttle relay, has drawn 15 entries. This is an open class event and will be run with three teams in a heat against time. Each team will run 108 yards over five hurdles. The event will be run back and forth on the straightaway. Naperville, with four good hurdlers including Zedrow their sprint star, may be classed the favorite in this event but will be pushed to the limit by Arlington.

Schools entered in the meet are as follows: Class A—Argo, Arlington, Batavia, Belvidere, Crystal Lake, Lake Forest, Libertyville, Leyden of Franklin Park, Naperville, Niles of Skokie, and St. Charles; Class B—Barrington, Bensenville, Geneva, Hononegah of Rockton, Marengo, Oswego, Palatine, Somanauk, West Chicago, and Woodstock.

Pirates Trim Bensenville

Palatine handed Bensenville their first track defeat of the season Tuesday afternoon, beating the Bisons 66-52. The Pirates won eight first places to the visitors' six. Hahnfeldt, Trepus, and Cipri won double victories for Palatine, and Kiefer and Pomplum did likewise for Bensenville. One of the deciding factors in the meet was Cipri's winning the 100 and 220 from Bensenville's outstanding sprinters. Cipri passed up his favorite event, the 440, and Trepus and Senne took care of it with fine performances. Improvement in Palatine hurdling and high jumping also had a lot to do with the winning margin.

One of the best marks of the meet was that of 48.8 seconds in the Frosh-Soph relay won by Palatine with Walsten, Dinse, Hooson, and Jones running. Bensenville ran a fine 880 relay to win in 1:38 while the Pirates broke their school record while losing, being timed at 1:38.5 minutes.

New Palatine school records were chalked up by Godknecht in the high hurdles and McCombs in the low hurdles.

The closest race of the meet was the 100 yard dash where only inches separated first from third. Cipri won by the narrowest of margins over Audas of Bensenville in 10.4 seconds while Thieme of Palatine who was third ran the event in 10.5 seconds.

100 yard dash: won by Cipri (P); Audas (B), 2nd; Thieme (P), 3rd; time: 10.4 sec.
220 yard dash: won by Cipri (P); Audas (B), 2nd; Kiefer (B), 3rd; time: 23.8 sec.
440 yard run: won by Trepus (P); Senne (P), 2nd; Bornack (B), 3rd; time: 55.2 sec.

880 yard run: won by Trepus (P); Timmerhaus (P), 2nd; Field (P), 3rd; time: 2:17 min.
Mile run: won by Timmerhaus (P) and Anderson (P), tied; Hall (B), 3rd; time: 5:01.5 min.

High hurdles: won by Pomplum (B); Thomas (B), 2nd; Godknecht (P), 3rd; time: 1:56 sec.
Low hurdles: won by Pomplum (B); McCombs (P), 2nd; Thieme (P), 3rd; time: 25.2 sec.

880 yard relay: won by Bensenville (Audas, Thomas, Pomplum, Kiefer); time: 1:38 min.
440 yard Frosh-Soph relay: won by Palatine (Walsten, Dinse, Hooson, Jones); time: 48.8 seconds.

Shot put: won by Hahnfeldt (P); Pomplum (B), 2nd; Reitz (B), 3rd; distance, 42 ft. 9 in.

Discus: won by Hahnfeldt (P); Reitz (B), 2nd; Snyder (P), 3rd; distance 124 ft. 1 in.

Pole vault: won by Thomas (B); Hahnfeldt (P), 2nd; Godknecht (P), 3rd; height, 9 ft. 9 in.

High jump: won by Kiefer (B); Godknecht (P), 2nd; Birks (P), 3rd; height, 5 ft. 3 in.

Broad jump: won by Kiefer (B); Tett (B), 2nd; Godknecht (P), 3rd; distance, 19 ft. 10 1/4 in.

The Cardinals won from Barrington Tuesday by a 7-0 score in their final game of the Northeast conference baseball season. Ed Mueller pitched five hitless innings, walking only three men and striking out ten. Dick Busse had a two-inning work-out and completed the shut-out while allowing one hit.

Schroeder of Barrington played an excellent game at first base. Catlow collected the only Barrington hit. The Bronchos have been handicapped by lack of practice facilities, but played better ball than last year.

Johnson and Taylor had two hits each to lead the Cardinal hitters. Hauptly and Busse doubled for the Card's only extra-base hit. The Cardinals had only one error, but had few chances as Mueller and Busse served up strikes.

Arlington's next four games are conference contests.

Cards Outrun Crystal Lake

A thoroughly surprised, but equally gratified band of Arlington trackmen returned from Crystal Lake this past Tuesday evening with a 59-47 victory over last year's conference champs. It was back in 1935 that the Cardinals had previously won over Crystal Lake in their annual battles although there was a 74-74 tie in 1937. Expecting a defeat by even a greater margin, Arlington's Cardinals were at their best of the year so far in turning back the highly touted Lakers Tuesday.

The events run off were identical with those of the setup of the Palatine relays this Saturday. These were scheduled as a last warmup for the coveted prizes at Palatine.

Arlington swept all five relays with fairly creditable marks in each. Crystal Lake in turn coped off six of the individual firsts with the Cardinals annexing two, and one divided. However, Arlington was nabbing its share of these individual seconds and thirds and thereby won the meet.

100 yd.: 1st, Rehberg (CL); 2nd, Briggs (ArL); 3rd, Gie, R. Ross (ArL); Cowlin (CL); time 11.3.

440 yd.: 1st, Maseng (A); 2nd, W. Ross (CL); 3rd, Heinze (A); time, 55.7.

Mile: 1st, Nagel (CL); 2nd, R. Niemeyer (ArL); 3rd, C. Niemeyer (A); time 5:03.8.

2 Mile relay: 1st, Arlington (C. Niemeyer, W. Rohwing, E. Rohwing, R. Niemeyer); time 9:04.9.

432 yd. low hurdle shuttle relay: 1st, Arlington (Briggs, Bolte, Kurtz, Heinze); time, 55 sec.

High hurdles: 1st, Briggs (A); 2nd, Heinze (A); 3rd, Schneider (CL); time 16.9.

880 yd. relay: 1st, Arlington (Briggs, Bolte, Harth, Heinze); time 1:39.6.

440 yd. Fr. Soph. relay: 1st, Arlington (Geudtner, Morici, Green, Pamps); time 49.3.

Mile medley relay: 1st, Arlington (Rohwing, Harth, R. Ross, Maseng); time 4:00.5.

Shot: 1st, Behan (CL); 2nd, Busse (A); 3rd, Cowan (CL); distance 42 ft. 4 in.

Discus: 1st, Behan (CL); 2nd, Harth (A); 3rd, Morici (A); distance 117 ft. 6 in.

High jump: 1st, tie Harth (A), and Michaels (CL); 3rd, tie Hayes (CL) and Boucek (CL); height, 5 ft. 8 1/2 in.

Broad jump: 1st, W. Ross (CL); 2nd, Cowlin (CL); 3rd, Harth (A); distance 19 ft. 9 1/4 in.

Pole vault: 1st, tie Bruce (CL) and Michaels (CL), 3rd, tie, Dearie (A) and Johnson (CL); height, 10 ft.

Discus: won by Hahnfeldt (P); Reitz (B), 2nd; Snyder (P), 3rd; distance 124 ft. 1 in.

Pole vault: won by Thomas (B); Hahnfeldt (P), 2nd; Godknecht (P), 3rd; height, 9 ft. 9 in.

High jump: won by Kiefer (B); Godknecht (P), 2nd; Birks (P), 3rd; height, 5 ft. 3 in.

Broad jump: won by Kiefer (B); Tett (B), 2nd; Godknecht (P), 3rd; distance, 19 ft. 10 1/4 in.

The Cardinals won from Barrington Tuesday by a 7-0 score in their final game of the Northeast conference baseball season. Ed Mueller pitched five hitless innings, walking only three men and striking out ten. Dick Busse had a two-inning work-out and completed the shut-out while allowing one hit.

Schroeder of Barrington played an excellent game at first base. Catlow collected the only Barrington hit. The Bronchos have been handicapped by lack of practice facilities, but played better ball than last year.

Johnson and Taylor had two hits each to lead the Cardinal hitters. Hauptly and Busse doubled for the Card's only extra-base hit. The Cardinals had only one error, but had few chances as Mueller and Busse served up strikes.

Arlington's next four games are conference contests.
